He attended Vincennes University in Indiana, on a full-time scholarship grant for studies in speech and drama. He has a minor in psychology, which he professes and uses frequently throughout his rehearsals.

He has performed in many productions for the Vincennes Theater and other theaters throughout the country including the roles of Fagen in *Oliver*, Captain Fisby in *Teahouse of the August Moon*, Normen Cornell in *The Starspangled Girl*, Benny Southstreet in *Guys and Dolls*, Felix Unger in *The Odd Couple*, John in *The Lion in Winter*, and the Sergeant in *The Pirates of Penzance*, to name a few.

In his diverse career he has been employed as a Fuller Brush man, a vampire and robot at the Hollywood Wax Museum, and assistant manager of the famed Cinerama Dome Theater in Hollywood where he was associated, through major Hollywood premieres, with such celebrities as Mickey Rooney, Grouch Marx, and Gregory Peck.

We wish to thank all who contributed by giving of their time in order to make the 10th Sweet Heart Follies a success. The last 10 years has been a lot of hard work but has also held a lot of rewards. For all those whose names were omitted we apologize, as we did not have them at press time.

Follies,

Due to Bills stroke July 31, and my health problems we will be unable to participate in this years follies which we regret very much.

Especially since PR is the director. Tell him we said "Hello," If by chance there is some small spot that Bill could sit for a few minutes and is needed we might be able to assist a little. He has a problem as he gets tired quickly. Let us know. We may try to get down to the Directors Party, But no promises.

So to all our Follies family get busy and "brake a leg" Ha! Ha! No don't do that, just have fun & put on another great show. We are supporting you. I would like to take out an ad so send them around. Thanks 100 club for fruit basket.

Love to all
 Janis & Bill Regula

** Bill is in the hospital for therapy at this time.
 We all send our love & prayers to him & Janis.*

But she's my mother!
