Dear Mrs. Baker:

Thank you for your reply.

Enclosed is a copy of the family sheet of the Asa Elson I have. Not sure it is one of yours but you can check it.

Also enclosed are sheets for John Hickenbottom, Alois Malterer and Kenneth Maple plus all the Lyon and Meek names I have. Please note the Meek sheets are printed on both sides.

If I missed any Lyon or Meek names of interest to you, just advise and I'll recheck the file.

I would be most appreciative if you would write me of any corrections or additions to the sheets I'm sending you. You don't need to send the sheets back, just tell me of any changes.

Yes, Max Julian was the man's name. I can't remember his wife's name. Wonderful people. Max had a bit of a drinking problem but it never changed his personality. I remember a son who worked at the paper once in a while. Can't remember his name. Wasn't like his parents, hard to get along with.

I remember after I came to Columbus and was working at the Dispatch I set type for a story in the 1960s about young Julian being named as public information officer for the Columbus Fire Department. Never heard of him again.

Thanks again and looking forward to hearing from you.

Sincerely,

Wn. H. Mitchell
