Notes

The following is on microfilm in Coshocton Library -

In The Coshocton Age - Sat. March 25, 1865 -

FATAL ACCIDENT -- On last Saturday, at about 3 o'clock P.M. Samuel Wiggins, of East Plainfield fell backwards from the Bridge across Wills Creek, at Linton Mills, and was drowned. The body was recovered and buried on Monday last. So we are informed.

Dixie Welker Desender, whose ancestors lived in the area, also added that Sam and some others were boxing on the bridge, and Sam accidentally fell in Wills Creek and drowned.

The above information was sent to me 26 Jan 1990 by Sally A. Desender of 444 Grove St., Groveport, OH 43125.

Tunis Henry Wiggins

Notes

Tunis Wiggins died in Mt. Carmel Hosp. in Columbus, OH.

He was a farmer in Linton Twp., Coshocton Co. He lived 50 years of his life on the farm where he was born.

He was a resident of Linton Twp. from birth until in 1883 he moved to Cowley Co., KS for a year and then returned to OH; a year or two after the first wife died he moved to Coshocton, OH.

Part of his obituary follows:

In early manhood Mr. Wiggins became a member of the Methodist Protestant Church at Union Chapel, Otsego Circuit, and was a devout Christian through all the years of his active life. He loved his church and was liberal in supporting it. He was the pastor's friend. The Bible and the Recorder were his solace in days of suffering; and when the call came he was ready. At the time of his death he was one of the most valued members of the church at Coshocton. Funeral services were conducted by his pastor.

--S. S. Fisher

(Note:) This obituary was apparently published in the Methodist Protestant Recorder.)

Tunis H. Wiggins, also spelled, Tonas H., Thomas H., drafted June 1863, Coshocton County, Ohio, examined and accepted for service 22 Sep 1864 at Newark, Ohio as a private.

He was described as: blue eyes, dark complexion and hair, 5 ft. 11 in., aged 22 years, born in Coshocton, Ohio and a farmer. He saw active service around Knoxville, Tennessee.

February 26, 1620, Richard Lane was admitted as a freeman of The Merchant Taylors Co.¹² He was twenty-four years old.

The young merchant tailor apparently prospered, because we find in the Bishop of London's Registry, in the records of Saint Mildred Poultry, London, for October 7, 1623 that Richard Lane married¹³ Alice Carter (baptized August 24, 1603¹⁴). She was the daughter of Humfrey Carter, citizen and Iremonger of London, and mentioned in his will (dated April 11, 1621; proved London June 1, 1621) as "under 21 and unmarried."¹⁵ Shortly after this we begin to see the unorthodox-nonconformist-Puritan restlessness stirring in this Lane family, and this restlessness can be readily followed. Apparently Richard was not secretive about his opinions, and obviously said what he thought, for in October 1631 we find "Examination of Richard Lane, taylor" recorded in the book *Antinomianism in English History* by Gertrude Huehns.¹⁶ Richard did not like the examination. He began looking around—what should he do, where could he go? Children were coming along—Samuel, born 1628; Jo, born 1631; Oziell, born 1632—so he must have felt a responsibility at home. Nevertheless, Richard Lane wanted to go where he could be himself. Consequently he took a trip to the West Indies, doubtless with the "incorporation." *The Calendar of State Papers*¹⁷ is our best source of information for that period, so let us have them speak for themselves.

August 31, 1632 (vol. 1, p. 155): a letter from **Thomas Wiggin** to Master Downing Complains of the carriage of an unworthy person, Sir Christopher Gardiner, who has lately returned from New England, where he went more than two years ago. Isaac Allerton informed against him to the Governor. Would push some means to stop his mouth, having most scandalously and basely abused "that worthy Governor, Mr. Winthrop." Hopes Lane, a merchant tailor, who has been in the West Indies, will talk with Mr. Humphreys concerning a certain staple commodity, which he desired to plant in New England. "Staple commodities are the things they want there." "Need not declare the happy proceedings and welfare of New England. It is a wonder to see what they have done in so small a time."

February 15, 1633 (p. 159): Minutes of a Court for Providence Island—Agreement with Mr. Lane to ship himself in the Company's pinnace for Fonseca, if that island be not discovered to Providence, to plant his madder (a small plant, the root of which was used to make a red dye), teach his skill to the inhabitants, and be an agent for the Company in other parts of the Indies. A pattern of drugs and commodities likely to be procured in the Indies to be "sent along with the Indian" for their better discovery.

February 18, 1633 (p. 159): Minutes, etc. . . . Eight more servants assigned to Mr. Lane to be sent to Fonseca. . . .

March 26, 1633 (p. 161): Minutes, etc. . . . After debate the intended voyage to Fonseca is respited: the pinnace to be forthwith dispatched to Providence and

Roger Lane of the city of Hereford, Apothecary, deceased, was apprenticed to Nathaniel Thornhill of Birchin Lane (London) for 7 (seven) years from the 14th Dec. 1613, and was admitted to the Freedom of the company on the 26th Feb. 1620" (quoted from Hector Carter to the author, October 21, 1961).

MARTIN H. LOOS

MARTIN HIGER LOOS was born in a log house in Plainfield, Ohio. His father was a native of Germany and was one of the first settlers in Plainfield on that section of the county, aiding in transforming a wild and unimproved region into a district of fertility. Martin H. Loos continued to cultivate the old home farm for many years or until his retirement from active business life, when he removed to Coshocton, where both he and his wife ANNIS passed away. Mrs. Loos was also born in the vicinity of Plainfield and represented one of the early families there.

MARTIN H. LOOS married ANNIS JAMIMA WIGGINS on January 28, 1858. Six children were born to them:

- 1- MELISSA C. married WML SNEDEKER on April 28, 1892. He was a farmer of Rennsalaer, Indiana. They had no children.
- 2- WILLIS MELVILLE married HATTIE J. BIGLOW on December 22, 1889. They lived in Coshocton, Ohio and had four children.
- 3- CHARLES WILBUR married ELLA E. MARSHALL on March 10, 1891. He was a retired Coshocton businessman. They had two children.

NOTES AND QUERIES.—VI.

OLD CHURCHES IN WICONISCO VALLEY.—The land grant of one hundred and sixty acres to Adam King and George Neagley for the use of churches, is located about three miles east of Millersburg, on the road from that town to Berrysburg and Gratz. On it the Reformed and Lutheran churches are respectively built, the former on the south side of the public road, the latter about three-eighths of a mile north of the other. The buildings of both are of brick.

Matter.—John Matter "settled on Great Wickanisko," about one mile from the river Susquehanna, prior to 1773. What is known of him and his descendants?

"YE OLDEN TIMES IN HARRISBURG."

[An old correspondent has furnished us some interesting data concerning "Ye Olden Times in Harrisburg," which we propose giving in installments from time to time. As they relate principally to this locality upwards of half a century ago, they will no doubt prove as entertaining as they are valuable.]

DOCTORS AND DOCTORS SHOPS.—Physicians were called doctors, and their offices, doctor shops, as they would be named at this day if used for similar purposes. The doctors furnished and prepared their own medicines, which were in a crude state. Every shop had its large round wood block, sawed from the trunk of a tree, on which stood an iron mortar and pestle, whereon the proprietors exercised their muscles and strength at pulverizing hard roots and barks, making a noise which could be heard over the neighborhood, or the half square.

Bleeding was the usual remedy for many complaints, the cause supposed to be too much blood in the body. Many were in the habit of being bled periodically, especially old women. Those desiring blood letting went to the doctor's shop, as did also all those wishing their teeth extracted, which was done in the old style, key drawers, and generally in a bungling manner, although some doctors had a reputation for being experts at it over others.

The following were the prices charged: Visits in the borough, 25 cents; bleeding, 25 cents; teeth drawing, 25 cents; medicine charged for separately. It was not a fortune-making profession, although it was thought so by the people, as the doctors were called upon the first to contribute to every cause needing assistance, as well having calls from all strolling beggars.

The doctors of former times had much practice in the country, within a radius of five or six miles, both in Dauphin and Cumberland counties. Patients were first visited in the borough, and then visits were made once a day to the country. The doctors rode altogether on horseback, having animals with pacing or racking gaits. The medicines were carried in a leather box with a round lid, which was strapped to the back of the saddle. People generally knew who was sick and who was the doctor by the horse, which stood in front or near the house.

The doctors were generally good sized men, tall, and some were stout, and dressed in black suits, without an exception. Even the late Doctor W. W. Rutherford, who was rather indifferent as to the color of his clothes in his later years, always wore a black cloth suit in his earlier years.

Professional men, ministers, lawyers and doctors were distinguished by wearing black suits. Blue coats and brass buttons were worn by the masses. All coats were with swallow tails, except those worn by Methodist preachers and Roman priests, which were single breasted, with standing collars. The character and habits of doctors were scrutinized and noticed more then than at present. All the doctors of former years in good standing and practice were men of temperate

NOTES AND QUERIES.—XIX.

HARRISBURG IMPRINTS.—Any person having in their possession
either of the following books, printed at Harrisburg, will confer a
favor by giving *Notes and Queries* the full title, size, number of pages,
etc., of the same:

“The Two Sisters,” published by Charles Mowry, 1821.

“The American Harmonist,” by Stephen St. John, published by
Wm. Greer, 1821.

WIGGINS.—In an article on the Wiggins family, published a year
ago, we stated that John Wiggins who was born in 1748, died in
Northumberland county. He deceased, it seems, in Lower Paxtang

township, Dauphin county, 21st October, 1830, without issue, leaving a wife Elizabeth who died about the same time. His estate was devised to the following:

His brother, James Wiggins.

Ann Pettigrew, wife of James Pettigrew, daughter of his sister Agnes Brandon

John, Thomas, Dr. William, Elizabeth, Margaret and James Henderson, children of his sister Margaret Henderson.

James Clark and Dr. William, James and Thomas Simonton, widow and children of John Simonton, dec'd, children of his sister Jane, wife of Dr. Wm. Simonton, sen.; also to John and James Wiggins Simonton, sons of James Simonton, and Thomas Simonton, of Greene county, Pa. To Dr. William Simonton he bequeaths the "fishery adjoining Gater's land." Where was this fishery?

WINAGLE FAMILY RECORD.

There recently came into our possession one of Dr. Martin Luther's "Sermon Books," printed in the year 1558 at Frankfort-on-the-Main by Weyant Han "in derr Schnurr-gassen zum Krug," and although now 326 years old is in very good condition.

It is dedicated to the "Buergermeister and Rath of the city of Nuremburg. It is what may be called the "Wentnagle" family Bible, for therein is contained the family records of births, deaths and marriages, which came into the Wentnagle family, so far as we can learn, in 1716, for on the outside of the front lid of the book is this impression, "Mathias Windnagle, A. D. 1716, the 14th May." He was the great-great-grandfather of the writer. On the first leaf of the book is found the following in well-written and preserved penmanship, which we have literally translated into English:

"Matthias Wentnagle was born of Evangelical Lutheran parents in the year of our Redeemer Jesus Christ, 1716, on the 14th May, and was married with *Maria-Catharine*, born *Ritter*, who fell asleep peacefully and happily in the Lord, the 28th Feb., 1786, aged 68 years, 10 months and three weeks.

Anno, 1749, the 11th of February, the good Lord rejoiced us parents mutually with a son, who received in holy baptism the name of *John-Matthias*, who, however, died in the Lord on the 8th of Jan., 1792.

Anno, 1750, the 24th of December, the good Lord rejoiced us parents mutually with a daughter, who received in holy baptism the name of *Eva-Catharine*.

Anno, 1753, the 14th of December, the good Lord rejoiced us parents mutually with another daughter, who received in holy baptism the name of *Maria-Elizabeth*.

Anno, 1759, the 30th of May, the good Lord rejoiced us parents mutually with a son, who received in holy baptism the name of *John-Frederick*.

"In the year 1775, on the 16th of May, *John-Mathias Wentnagle* entered into holy bond of matrimony with *Agnes Ehrlisen* [*Earley*] but the Lord of life and death called him out of his troublesome world into a joyous eternity in the year 1792, on the eight of January. He leaves therefore a sorrowing widow and the following children:" These do not appear as indicated but their names and whom they married are as follows:

- i. *John Mathias*, m. Elizabeth Rupp, resided and died in Highspire; buried in St. Peter's church grave-yard, Middletown.
- ii. *Susan*, m. ——— Gallagher and resided in Newton, Lancaster county, Pa.
- iii. *Mericha*, m. ——— Barnets and resided in Middletown, Pa.
- iv. *Eve*, b. Jan. 4, 1782; d. March 24, 1844, and is buried in the German Reformed grave-yard in Middletown, Pa.; m. George Parthemore.
- v. *Elizabeth*, m. ——— Geistwite and resided in Florin, Lancaster county, Pa.
- vi. *Agnes*, m. Michael Stentz.
- vii. *Christina*, m. ——— Snaveley and resided near Annville, Pa.
- viii. *Jacob*.

The following is found in other places in the book written in more modern German penmanship.

John Mathias Wendnagle and his wedded housewife, *Elizabeth*, born *Rupp*, were born and baptized in Swatara township, Dauphin county, Pa. To them was born a son in the year of our Lord, 1817, December 25th, in the sign of the scorpion, and at his baptism by Rev. Lochman, December 12, 1818, he received the name of *John*.

A daughter was born on the 9th of December, 1819, at 3 o'clock in the morning, in the sign of the virgin, and was baptized by Rev. Lochman, August 16, 1820, and received the name of *Lydia*.

A daughter was born on the 9th of January, 1823, in the sign of the virgin, and baptized by Rev. Lochman, August 1, 1824, and received the name of *Susan-Jane*.

McIntosh in the War of the Revolutionary that her said husband served in 1778 at Fort McIntosh for six months and in the year 1780 or 1781 that her said husband served three months under Captain David Scott as an Indian spy on the waters of the Ohio River and that her said husband drew a pension under the Act of Congress of the 7th of June 1832.

She further states that she married the said Zachariah Piles in Greene County and State of Pennsylvania on the 6th day of July A.D. 1814 by one David Worley, a Justice of the Peace, and that her name before her said marriage was Susannah Lezer and that she has no record of the marriage and that her said husband died in said County of Monongalia on the 15th day of November A.D 1840 and that she still continues a widow she makes this declaration for the purpose of obtaining the Bounty Land to which she may be entitled under the Act granting Bounty Land to certain officers and soldiers who have been engaged in the Military service of the United States approved the 14th day of May 1856.....She also declares that this is the only application that she ever made for Bounty land and that she has never received Bounty Land under any act of Congress.

We Andrew Brown and Isaac Shriver, residents of Monongalia County, in the state of Virginia upon our oaths declare that the foregoing declaration was signed and acknowledged by Susannah Piles in our presence, and that we believe, from the appearance and statements of the applicant, that she is the identical person she represents herself to be, and is still a widow and that said Zachariah Piles died in said County on the 15th day of November A.D. 1840 leaving the said Susannah Piles his widow.

The foregoing declaration and affidavit were sworn to and subscribed before me on the day and year above within written, and I certify that I know the affirmed to be credible persons and that the claimant is the Person she represents herself to be and is still.

HUSBAND - Riley WIGGINS-11

According to the book, "History of Coshocton County, Ohio: Its Past and Present, 1740-1881", compiled by N.N. Hill Jr., and published by A.A. Graham and Co. Publishers, 1881, Private Riley Wiggins served in the Sixty-Ninth Ohio Volunteer Infantry, Commanded by Colonel Lewis D. Campbell. They were mustered into service on March 21, 1862.

On April 19, 1862, the Sixty-ninth received orders to report for duty at Nashville, Tennessee, and arrived there on April 22nd. On the first of May it went west to Franklin, Tennessee, to guard forty miles of the Tennessee and Alabama Railroad. Except for frequent alarms, they saw no action at that site.

After several other moves, the 69th Ohio and the 11th Michigan counter attacked General Morgan's troops at Gallatin. They drove the Confederate troops from the place but the 69th had its first battle casualty, Isaac Repp of Dayton.

They later fought in several battles and skirmishes, including Stone River (January 2, 1863), Tullahoma (June 24, 1863), Mission Ridge, Snake Creek Gap near Resaca (May 14, 1864) and several others. The unit returned to Atlanta and joined Sherman's march to the sea. Its last battle was near Goldsboro, North Carolina, March 19, 1865, where two were killed and eight were wounded. After that came the march through Richmond, the review at Washington, the transfer to Louisville, and lastly the final muster out of the service, on the 17th of July, 1865.

During the War, the regiment lost 5 officers and 84 enlisted men killed and mortally wounded, and 98 enlisted men by disease for a total of 187.

According to his service record, Riley reenlisted as a "veteran volunteer" on March 3, 1864 at Chattanooga, Tennessee (his second enlistment) for the term of three years. He listed his occupation as farmer. His recruiting officer was 1st Lt. R. H. Cunningham. He was promoted to corporal on May 1, 1865. His enlistment documents stated that he had blue eyes, fair hair, fair complexion, and that he was five feet nine inches tall.

Date and place of death verified from Ohio death certificate, Registration District 244, File No 644.

According to the 1880 Muskingum County, Ohio, census, Riley was a farmer. It shows his father's place of birth as Virginia and his mother's as Ohio. His age was 35. The census was taken on 4 June 1880.

Other marriages:

BROOKE CO., W.VA. WILLS:

EDWARD WIGGINS WILL: Signed 26 March 1799

Abstract:

Item 1) I give and devise tract of land on which I live & my tract adjoining to my two sons Edward & John.....tenants in common & not Joint Tenants.

Item 2) wife, Charity...possession of and use of my home plantation during her widowhood and support my 4 children, Edward, Elizabeth, John, and Elenor during their minority.

As to my son Thomas and my 3 daughters-Nancy Rolands, Margaret Elson, Mary Crawford...they have already received their share of my property and they ought therefore not to expect to be included as 1 legatees in this my last will. And as to my daughter Charity, I intend to provide for her as I have already done for my above mentioned daughters that are married. I shall therefore not include her in my will as a legatee.

Wife Charity gets all my personal property and my 4 children, Edward, Elizabeth, John, and Elenor to be divided equally between them in kind or money.

Executrix, wife Charity; executor Bazalmiel Wells.

Wit: James Marshall, Richard Spear, Robt. Colwell.

signed: Edward Wiggins.

The History of the Pan-Handle, West Virginia pg 313 has A list of Articles sold at a vendue of the 12th of Nov 1799, by Charity Wiggins.

Among purchasers were: Abel Johnston, Thomas Maxwell, Archibald Elson,
Thomas Wiggins, Mathew Rowland.

CHARITY (Prebble) Wiggins: died in 1832 and both she and Edward Wiggins are buried in cemetery near the Homestead at Cross Creek District, of Brooke County, West Virginia.

This Homestead consisted of 400 acres "deed signed by Governor John Randolph of Virginia, on a sheepskin Grant!"

Charity Wiggins will dated 25 Sept 1828; probated July 1832.

Charity Prebble was born in PA. There has been much discussion as to her parents name. The ones most favored are Abrahm Prebble and Judity Tilden.. To my knowledge, Proof has not been found.

It is known, that the Pribbles/Prebbles lived in Cumberland Township, in Washington Co., PA. The part of Cumberland Twp., PA. which became a part of Green County in 1796.

You will note: that the Wells, Baker, Wiggins traveled much the same routes from Maryland into Ohio. We should also recognize that the Elsons must have met them along the route before they came into Ohio.

page 40: Biography of JOHN CRAWFORD.

"John Crawford was born in Archer Township, Harrison Co., Ohio, November 29, 1816. His father, Edward Crawford was a Virginian by birth, grew to manhood in Brooke County, W. Va., and married Mary Wiggins, daughter of Edward and Charity Wiggins. The maternal grandfather, ALEXANDER WIGGINS, was of Irish parentage, his parents having come to America, where he was born; he died in Virginia."

page 481: Biography of Edward Crawford.

"Edward Crawford, b. in Virginia, about 1760; d. in Archer township, Harrison County, 1831; removed there from Brooke county, West Virginia, in March 1806; m. Mary Wiggins, b. 1770; d. 1864; daughter of Edward and Charity Wiggins of Brook County; had issue:..... ALEXANDER WIGGINS, father of Edward Wiggins, was of Scotch descent, having come to America from the North of Ireland a short time before Edward was born. Edward Wiggins died in Virginia."

History of Coshocton County, Ohio, 1881 by N. N. Hill.
page 812: Biography of Benjamin Wiggins.

"Wiggins, Benjamin, Linton township; retired farmer; Plainfield: born in Linton township, July 13, 1820; the son of Edward and Mary (Greentree) Wiggins. His parents emigrated to his native township in 1807, from Brooke county, Virginia. His grandfather Wiggins emigrated from Ireland to the wilds of Virginia at an early day, and there selected as much land as he wanted by blazing the trees around the tract with a tomahawk."

W.C. Lane compiled a History of the Wiggins Family and placed a copy in the Coshocton, Ohio Library in March 1941

Mr. Lane's version: "The ancestor of the Coshocton County group was Edward Wiggins, who was born in Ireland, being the son of Alexander Wiggins. We speak of Edward Wiggins as of the first generation. There are so many by the name of Edward that we may speak of this one as Panhandle Edward, since he settled in what is now the Panhandle of West Virginia, where he reared his family."

"Outlines in Genealogy: I Edward Wiggins: b. 1793* d. July 1799; son of Alexander Wiggins; b. in Dublin, Ireland; came to America in 1759; came to what is now, Brooke Co., in the Panhandle of W. Virginia, in 1775"

* This date was probably typing error: apparently, Edward was b. ca 1739.

The Eckelberry Family

The Eckelberry Family

by

Mrs. Robert M. Comer

John Eckelberry was born in 1767 in Penn. and married Catherine Alspeer. They came from Green County Penn., in 1817 and settled in Perry Twp., Muskingum County.

At the age of 45, Mr. Eckelberry enlisted in the war of 1812. They were the parents of nine children, but Mrs. Chadwell Durben who has searched for this family for many months, can only find the history of one son, named George. His story is as follows; George was born in 1801 and died in 1884, married in 1828 to Martha Conway of Muskingum County who died in 1889. After their marriage they lived for some time near his old home place and later moved to Symme's Creek in Salem Twp.

They removed to Knox Twp, Guernsey County, as early settlers, and settled on a large tract of land in the northwestern part of the township. This acreage was later divided into smaller tracts, becoming the homes of their children who lived in that section for many years. They were the parents of eight children, John D. Eckelberry (1829-1896) married 1856 to Amanda M. Curtis 1836-1914); Margaret Jane Eckelberry (1830-1908), married 1851 to Madison Henry Shryock (1832-1913); Washington Eckelberry married Hannah Elson; Samuel Eckelberry married 1856, Charity E. Elson; William Isaac Eckelberry (1837-1906) married first to Martha Jane Benjamine (1837-1875), second marriage to Elizabeth Cornelia Fowler (1849-1918); Mary Ann Eckelberry (1840-1916) married 1856 to Johnson Baker (1837-1917); George H. Eckelberry, b. 1844, married Sarah E. (1841-1875); Martha E. Eckelberry

John Wiggins son of Edward Wiggins and Mary Greentree

Coshocton County Courthouse: Will Bk 2 page 259: WILL OF JOHN WIGGINS

Signed 20 Oct 1865 Proved 15 August 1867.

Heirs: Wife, Mary Ann Wiggins; Son Heslip; Son John Edward;
Son Tunis Henry; Son Riley; Daughters: Jane Sturtz;
Mary Baker; Anise A. Loos; Charity Wiggins; Phebe Wiggins;
Julia Wiggins and Mary Ann Wiggins.

Executors: Mary Ann Wiggins and my brother Benjamin Wiggins.

There has been much discussion on the name of John Wiggins second wife. The Wiggins say that Mary Ann Loos who married John Wiggins WAS A BAKER.

Our search revealed: Mary Ann Benjamin married Aaron Baker in 1835.

Mary Ann Baker married Jacob Loos 22 Sep 1839.

Mary Ann Loos married John Wiggins 28 Mar 1848.

Aaron Baker died young and left one dau named Nancy.

In the 1850 Census: the first census after Mary Ann and John Wiggins were married under the children of John and "Betsy" (Elson) Wiggins are listed:

Nancy Baker age 14 indicating year of birth as 1836.

Luranna Loos age 7 indicating year of birth as 1843

These children would indicate that Mary Ann Wiggins had been married previously.

Nancy Baker is listed with John Wiggins in 1860 and with Mary A. in 1870.

I do not know what happened to the other Loos children. It might be well to check them out one of these days. The estate & administration of estates list a Jacob Loos pg 179. Vol B 1849-1875. THIS WOULD NOT BE THE ONE!

It would be well to consider that Mary Ann Wiggins married after 1880 census. She is not listed as having an estate. Therefore: the deed records should be searched. Mary Ann Wiggins definitely had real estate. Charles

In the marriages of Coshocton Co. is one for a Mary A. Wiggins to C./Johnson on 7 Apr 1881. The census? should be checked to determine the ages of these two people. *1900 - Mary would be 80 -*

There are several places to be further searched.

Hi Doris,

I know it will take a while to go through what Judith and I sent to you. As I said before, I got most of the earlier info on the family from Judith, if you want to know anything further about Irma Simmons and her 1st husband Walter Larntz (aka Rufus Walter Larntz) and Irma's parents let me know. Also, if you find any errors in my attachment please let me know, and if there's anything you can add to it as well.

Doris,

I'm sending you my Wiggins file here, it's in MS WORD, hope you can view and read it without any problems.

I would love to have your reports and/or genealogy reports on the Wiggins and the Bakers. As I've said before, I also have a Peter Baker who md. an Elizabeth Cornelius, Elizabeth was a sister to our 3rd gr. grandfather Christopher Cornelius, so there are two connections to the Baker family with our families.

Here's my address:

Don't worry about answering the same day, I totally understand.

My Cornelius book is not like Harold Welker's book. I've included transcriptions of actual records on every person in my book that I was able to get my hands on along with cemetery photos and any other photos I've been able to get. I was the one who found out the truth about my husband's grandfather Hayes Cornelius who had the affair with Irma Simmons. Hayes Cornelius was a sister of Leola M. Cornelius Welker (Leola was Harold Welker's mother). Harold and his family thought Hayes had married Irma Simmons but she only had an affair with him and they never married, no one knew this until I found the records to prove it. This affair between Hayes and Irma resulted in the birth of a son, my husband's father Herbert "Herb" Reginald Cornelius in February of 1916. I have all the court records pertaining to bastardly charges against Hayes Cornelius and showing he was thrown in jail for not appearing before a Judge and Jury when his case came up in Ohio. After the trial, and finding Hayes guilty, Hayes fled the area and later joined the Army and was shipped to France where he was killed in action 9-12-1918, I have his military records from the National Monument Society.

The book I did is very detailed and I always like to transcribe wills, estate records, and other records that I find on individuals instead of just putting in names, dates and places of events. I'm redoing the book right now and placing the descendants of Isaac Cornelius who died in 1822 Muskingum Co., Ohio into each individual generations, and I'm even including any other Cornelius family in the same time frames with records. I do have several other very earlier lines of Corneliuses as well that I'm working on. I have a database on the Rowland Cornelius line of about 60 pages, one of Aaron Cornelius of Flushing, L.I. who was there in the 1600's, that database contains about 90 pages or more, along with a few other early Cornelius families.

I've gotten side tracked with the Cornelius line in redoing the book since I've been in contact with Judith Adams and trying to get the Wiggins, Loos, Simmons, etc. families in order. Not knowing these families that well since I've never done actual researching on them, it's hard to keep them separated. The only thing I originally had on the Wiggins and related families were the parents of our grandmother, Irma Simmons, and that was all I had.

Hi Doris,

So glad you contacted me. I know Harold Welker and his wife Sarah quite well but it certainly took me several years before I ever found him! We've been going up to Ohio to visit with Harold and Sarah for the past 5 years at least and have visited the Otsego Methodist cemetery there in Ohio.

Harold's mother, Leola M. Cornelius Welker was a sister to our grandfather (Hayes Cornelius). Now this is where it gets a bit sticky and complicated! Ha! Hayes Cornelius had an affair with Irma A. Simmons (daughter of James A. Simmons and Anna Wiggins). This affair resulted in the birth of our father, Herbert "Herb" Cornelius (1916-1988). Herb was always told by Irma Simmons (his mother) that Irma had married Hayes and became pregnant shortly after they were married when he entered the Army and was shipped out to France during WWI when he was killed in action 9-12-1918 at the St. Mihiel Mission. Other than that, Irma never spoke about Hayes to her son "Herb".

Hayes was subpoenaed to appear in court before a Judge and Jury for bastardly charges, when he didn't appear he was arrested and thrown in jail, and was definitely found guilty of fathering a child out of wedlock. He paid a hefty fine and fled the area to avoid any further confrontations with Irma. Shortly after that he entered the Army. Hayes' parents, Wilbur (Wilbert) O. Cornelius and Ida Love knew the entire story, however, back in those days you never talked about things like this, so the story handed down throughout the lines was never revealed until I came along and started digging. It took me several years before I found out that Herb was born illegitimately, Herb never knew this before he died. Irma "supposedly" kept Herb from having anything to do with his side of the family, but it was other the way around, the family would have nothing to do with him.

The only info I had on the Wiggins lines was the name of Irma's parents, James A. Simmons and Anna Wiggins, other than that I had absolutely nothing until Judith Adams came along and filled me in. I did have a little info from a half cousin of my husband's (Lawrence "Larry" Cornelius). Irma Simmons' first marriage was to Walter Larmtz (Rufus Walter Larmtz) on 7-12-1916. Herb used to tell me that Walter Larmtz used to beat Herb constantly and stayed drunk most of the time, even Larry's mother had some horror stories to tell me about him. Walter Larmtz (aka Rufus Walter) and Irma Simmons had one child by their marriage, Lyra Larmtz who md. Jesse Slentz. Lyra and Jesse had 2 daughters, Julie and Trisha. Julie sent me some info on the Wiggins and Simmons family several years ago but it contained some errors after comparing it to Judith's notes and records.

If you were to ask me anything about the Cornelius family I could probably answer it without even looking at any of my databases, but I'm puzzled as to who that Margaret Cornelius that married Calvin Sturtz was. All I have on this family is the birth year of 1846 for Calvin that Judith gave me, I don't know if they were born in Ohio or came from another area. I would definitely need more on info on Margaret to locate her parents, any clue of any kind might help. I have several databases on Corneliuses where I could look. A lot of my databases on the Corneliuses date back into the mid 1600's, a few earlier than that, and some of them are not more recent with the names of children.

I did a book on our direct Cornelius family dating back with Christopher Cornelius (1804-1882) of Muskingum Co., Ohio and I gave a copy of it to Harold Welker a couple years ago when we were up in Ohio. He in turn did a book as well on the Cornelius family but he did not have any early info on our family until I first contacted him several years ago. Everything in the book I did contained all the records I've found up to date, photos and pictures of gravesites of those I've found so far, along with any personal history I've been able to get my hands on. So, since I have not done any personal researching on the Wiggins/Simmons, etc. families I'm not that familiar with them and of course could use all the help I can get. Julie had only two wives listed

for John Wiggins in the beginning, it was Judith who came up with three of them, so I guess I should go back in and take out the third wife?

Also, I see your husband's name is Baker. I've been trying to search for an earlier Baker in Ohio. There was an Elizabeth Cornelius, born before 1804, married 9 October 1827 Muskingum County, Ohio to Peter Baker. An Isaac Cornelius of Muskingum County died in 1822 leaving heirs Mary Ann Cornelius, Hannah Cornelius, Elijah Cornelius (ages 2, 4, & 9) - Barbara Cornelius was appointed their guardian; our 3rd gr. grandfather Christopher Cornelius (1804-1882); William Cornelius, Sarah Cornelius, and Elizabeth Cornelius (Barbara Cornelius may have been Isaac's widow). All these were heirs of the deceased Isaac Cornelius but no relationship in court records are indicated. This Elizabeth Cornelius and her husband Peter Baker are a mystery, I have not been able to locate them anywhere.

Also, the Bukers enter into our Cornelius family through Morgan Cornelius (son of our 3rd gr. grandfather Christopher Cornelius). Morgan's daughter Dora (Eldora) Cornelius Buker married Guy Buker who descends from the Rev War soldier Israel Buker, buried in the Otsego cemetery.

I don't use Family Tree Maker, instead I put all of my data into a biographical form in MS WORD and I would be more than happy to send you this database, I could use all the help in correcting this mess that I could get! Ha!

I'll leave you with this for now (Ha!) and hope to hear back from you. I may be gone for part of the day today but I'll be back this afternoon.

Hi Doris,

I was born in Chicago and moved to Texas with my parents in 1963, my dad was transferred at the time with the company he worked for. My parents lived in Bellaire, Texas, which is like a suburb of Houston. A few years after I married my husband, we bought 3 acres out here in Manvel, Texas, which is about a 40 minute drive south of Houston.

My husband was born in Ohio but moved from that state when he was very young, eventually to Florida before his parents moved to Texas in 1953. I really got interested in genealogy with this family before I ever started on mine because my husband's dad never knew any of his Cornelius family, only what his mother told him over the years prior to her death. The only thing that my husband's father, Herb Cornelius, knew about his Cornelius family was told by his mother Irma Simmons, that she had married Hayes Cornelius shortly before he went into the Army and shipped off to France during WWI where he was KIA 9-12-1918 and that she became pregnant just before he left. Of course only part of that story was true, Hayes was killed in action in WWI, but he never married Irma Simmons. I knew there was more to this story than what Irma Simmons told her son Herb Cornelius because she always told Herb that he could never have anything to do with the Cornelius family, which again, was untrue, it was the Cornelius family that would have nothing to do with Herb.

Larry and I have made a few trips up into Ohio over the past several years and have met a couple of times with Harold Welker and his wife Sarah. Harold is the only side of the Cornelius family that we've met and know.

Subject: Re: Cornelius family

Hi Doris,

Over the years it's hard to remember just who one has been in contact with, I do a lot of lookups for people on their families through the Muskingum Rootsweb List.

Let's see what my database contains here: Julie Slentz Uhlbeck was the one who had some letters written by Hayes Cornelius and Irma Simmons, which originally was in the hands of her mother, Lyra Larntz Slentz (Lyra was the child of Walter Larntz and Irma Simmons). Those letters were bundled up with a note on them by Irma Simmons that if anything were to happen to her, give these letters to Herb Cornelius because this would be all he would have of his father's Hayes Cornelius. Those letters were never given to Herb after Lyra died, she died long before Herb Cornelius did.

Out of the blue one day, Julie wrote me and asked me if I'd like to have these letters, duh! They had no value whatsoever to that family and rightfully belonged to Larry because they were his grandparents (Hayes Cornelius and Irma Simmons). Julie also sent me some family notes of what she knew, although she had no idea that Irma Simmons and Hayes Cornelius never married. Julie told me that Irma's son, Harold Walter Larntz died due to the RH factor and lived only 3 days. I never think of mentioning Harold's name when I give out family info because Walter died so young and the only family I knew of that Herb had was his half sister, Lyra Larntz Slentz.

Julie Slentz Uhlbeck also told me that Irma Simmons and Walter Larntz separated when her mother Lyra was only 15 and Irma went to Michigan to marry Floyd Boatman, I have a photo of Floyd in my files. During the time she married Floyd Boatman, Irma still provided housing for Walter Larntz and when he became ill he was living with Julie's parents. From what Julie told me, Irma, Walter and their son Harold are buried in the Plainfield Cemetery in Ohio, unfortunately that's one cemetery that Larry and I have not been to and took photos of tombstones.

I never met any of the Cornelius and related families, don't think Larry ever did either because after Herb Cornelius married Mary Roller (my in-laws), Herb went into the Navy and was transferred to various places, finally making their home in Florida before moving to Houston, West University Place, TX.

After several years of researching the Cornelius family, another researcher contacted me and found Harold Welker, Harold's mother (Leola M. Cornelius Welker) was a sister of my husband's grandfather Hayes Cornelius. After all these years I finally found someone related closely to the Cornelius family and so far, the only one we've met other than a few researchers here and there who descended from Christopher Cornelius (1804-1882), our 3rd gr. grandfather. Even though Irma Simmons was still living when Larry and I married, I had never met her either but, I do remember Herb getting the news of his mother's death and flying up to her funeral.

I do know what you mean about being as accurate as possible with family data, I'm the same way, unfortunately, sometimes we can't find the proof we need and we wind up going by what someone else might give us. Ha!

In 2005, I wrote 6 books that I donated to the DAR Library in Washington, one was on our direct line of Corneliuses, another on a line of Corneliuses dating back to around 1600, one on my Rev War soldier Jonas Cline/Kline, another on my Milhouse family, one on my Cotterell family and for the life of me I can't remember the other one I did! Ha! I have Snyders and Stivers that I'm working on now but I'm just not convinced that I have enough in the way of early records to complete these 2 books.

In some ways, I wished I had learned the truth about Hayes Cornelius and Irma Simmons having their affair before my father-in-law Herb Cornelius died in 1988. Herb was always told that Hayes and Irma were married and that she became pregnant just before he left for the Army and shipped to France during WWI where he was killed in action. Part of Irma's story was definitely true, but only the part of Hayes killed in action. Harold Welker was shocked when I found out the truth that Hayes and Irma had an affair because the family was always told that

2/18/2007

they had married and they hadn't. I'm almost certain that Wilbur Cornelius and his wife Ida Love, the parents of Hayes Cornelius, knew that Hayes and Irma never married and that their son Herb was born illegitimately because the Cornelius family never had anything to do with Herb, that's why Herb never knew his side of the family, which I often had asked him about.

It took me a while, going through some databases here, to find the birth date for Harold Walter Lantz, I don't have the same info in every database. Harold Walter Lantz was born 17 June 1918 and died 19 June 1918, it appears he lived only 2 days instead of 3 days. His death certificate was transcribed and sent to me by another researcher and shows the following info:

Place of Death: Coshocton, Linton Twp., Ohio

Registration District No., 4371245

Primary Registration District No.: 4371

File No.: 36162

Registered No. 245

Full name: Harold Walter Lantz

Name of father: Rufus W. Lantz, born in Ohio

Maiden name of Mother: Erma Simmons, born in Ohio

Date of Death: June 19, 1918

Cause of Death: Hemorrhage of the new born, umbilical hemorrhage

Place of burial: Plainfield, Ohio

I knew I had seen the transcript of Harold Lantz's death certificate, I just couldn't lay my hands on what database I had it in, which was in my Simmons file.

If there's anything else I can give you please let me know and do keep in touch, I love hearing from family!

Cornelius

Doris,

I don't know if we have ever corresponded previously or not, but my husband descends from the Cornelius family through Irma Simmons, his grandmother.

Mr. Harold Welker just recently sent me a family listing that you had compiled, or at least your name was at the bottom of the family sheet listings. I would like to clarify, in case you don't have the current information, on Rufus Walter Lantz that you have listed on one of those family sheets.

Rufus Walter Lantz married 1st to Irma A. Simmons. Although this was Irma's first marriage, she previously had an affair with Hayes A. Cornelius, this couple never married (you have a son listed by Irma Simmons and Rufus Walter Lantz as Herbert Lantz and this was not their son).

Hayes Cornelius was KIA 9-12-1918 during WWI over in France. Irma Simmons and Hayes Cornelius had a son from their affair, Herbert R. Cornelius, who was born in February of 1916 and died in February of 1988. Herbert Cornelius was my husband's (Lawrence "Larry" Cornelius) father. I noticed that on your family listings that you have Herbert B. Lantz as the son of Irma Simmons and Rufus Walter Lantz and it should be Herbert R. Cornelius instead.

Irma Simmons and Rufus Walter Lantz did have one child, a daughter, her name was Lyra Lantz who married Jesse Slentz.

It took me a great many years to figure out the Cornelius family because my father-in-law (Herbert "Herb" Cornelius 1916-1988) never knew his father Hayes Cornelius. Irma Simmons took Hayes Cornelius to court for child support, Hayes never appeared before the Judge and Jury for his court date and was arrested and thrown in jail - I have all the court records pertaining to this. Hayes Cornelius paid a hefty fine, along with child support, of around \$1,000.00, he was found guilty before a Jury trial. As soon as Hayes' court proceedings were over with and he paid his fines, he fled the area and not long after enlisted in the Army, the rest is history.

I did finally find Hayes Cornelius' military file, which took me years to be able to find because the National Archives did not have it, all they had was a card with his name on it, his birth, parents and his date of death. Nearly 3 years after Hayes was killed in France, his body was finally shipped back to Ohio for burial in the Otsego Cemetery.

On a personal level, I can only tell you a little about Rufus Walter Lantz, which came from my mother-in-law and father-in-law when they were living, both have since passed away, Herb in 1988 and Mary Roller, his wife, in 1999, both Mary and Herb are buried in a cemetery in Houston, Texas.

Rufus Walter Lantz, known as just Walter Lantz, was a drunk and often stole many personal items belonging to his wife Irma Simmons to sell in order to buy his liquor. He often beat Irma's son, Herb Cornelius, but never laid a hand on their daughter Lyra Lantz Slentz. I've heard several horrible stories about Walter Lantz, this is just one of them.

After many years of tracing Hayes Cornelius and Irma Simmons, I've been able to document the Cornelius family into the First Families of Muskingum County, Ohio and into the Civil War Families through Morgan Cornelius, our direct line, who served in the Civil War.

If there is anything you might need from me, please let me know and I'd be more than happy to send it to you.

Hi,

Yes we have corresponded before. I have some of the information on my computer. Harold Welker occasionally sends me info.

Thanks for bringing this to my attention. Not sure which paper your are referring to but looked on my file in the Wiggins Family Tree Maker. I must have corrected it later for my info now says that Hayes Cornelius and Irma Almeda Simmons had one child - Herbert - b. 1916.

Then I have Rufus Walter Larntz married Irma Almeda Simmons in 1917. I have two children listed for them - Harold Walter Larntz - b. 1918
Lyra Almeda Larntz - b. 1919.

I don't have anything more than a birthdate on Harold so he must have died young. Do you know?

I appreciate any info especially to correct any errors I have. I have not documented all my info for have been given a lot by friends. Am very careful to try to be as accurate as possible though.

Keep in touch.

This Elizabeth Cornelius and her husband Peter Baker are a mystery, I have not been able to locate them anywhere.

Also, the Bukers enter into our Cornelius family through Morgan Cornelius (son of our 3rd gr. grandfather Christopher Cornelius). Morgan's daughter Dora (Eldora) Cornelius Buker married Guy Buker who descends from the Rev War soldier Israel Buker, buried in the Otsego cemetery.

I don't use Family Tree Maker, instead I put all of my data into a biographical form in MS WORD and I would be more than happy to send you this database, I could use all the help in correcting this mess that I could get! Ha!

I'll leave you with this for now (Ha!) and hope to hear back from you. I may be gone for part of the day today but I'll be back this afternoon.

Subject: Photo from Welker

Doris,

I received your letter just before we left for Illinois 2 weeks ago to help move my aunt out of assisted living into the nursing home and we just now got back, I couldn't remember for the life of me if I had answered your letter or not and I don't think that I did.

The photo you enclosed is a mystery to me, I've held this photo up to the few that I have on the Cornelius and related families to see if I could see any resemblance, it's amazing just how different, even within just 10 years, that some of these people looked like in photos. Larry's (my husband) grandfather, Hayes Cornelius, looks totally different in every photo that I have of him. The only possible connection that I have come up with is that the man in the photo may have been Wilbur Cornelius, father of Hayes or possibly a Welker, I just have no idea off hand because I don't have a copy of this photo. If you happen to find out who this person is in the photo I'd appreciate a holler. I'll send you back the photo but if you don't mind, I'd like to make a copy of it for my records, I have a small photocopying machine here at the house.

The oldest photo I have of the Cornelius family is with George Cornelius and his wife Margaret, George was a son of Christopher Cornelius and Susannah Jack, I also have a photo of their gravesites, which Larry and I took a few years back up in Missouri when we visited the cemetery they're buried in. The next Cornelius photo I have is of Wilbur Cornelius and his wife Ida Love along with a couple of photos of Hayes Cornelius, and of course Larry's parents. For some reason the photo slightly resembles Wilbur/Wilbert Cornelius in the face, but then it could just be a family resemblance too. I sure wished I could help you out in determining who this was. I'm almost certain it's not one of Harold Welker's brothers, it could also be from the Welker side too.

It's been a while since we last corresponded and I don't remember how you're connected with the Cornelius family, I'm in contact with so many different researchers on various Cornelius lines and unless I'm in constant contact with them it's hard to remember who is connected to who! Ha!

I did manage to get our direct line of Corneliuses into the Civil War Families of Ohio and into the First Families of Muskingum County Ohio, however I was not as successful in getting this family accepted into the First Families of Ohio, they wanted records that just weren't available because Isaac Cornelius was only in Ohio for a short period of time before he died in 1822. The only records I have on Isaac pertain to the 1820 Ohio census, his estate file which was of very little value, his land record and a record from Huntingdon County, Pennsylvania showing that Isaac was imprisoned for bad debts, he turned over all of his possessions to Jacob Cornelius for handling of his debts in 1807. I know this is the same Isaac of PA and OH because another researcher who has Christopher's brother, William Cornelius who married Nancy McHenry, has a Bible once owned by William and the first entry in that Bible is Isaac with his death date of 1822 and it also contained Christopher and William's names who all came from Huntingdon Co., PA. Unfortunately the Bible record was so faint that it couldn't be photocopied and this researcher gave it to one of her cousins I believe.

I will send the photo back to you on Monday, hopefully we can find out just who this man is in the photo, I'll write to Harold Welker and ask him about this and when I find something out I'll let you know.

Thanks for your help. Guess I will just keep the pic on file and see if something else turns. Never know. My husband is related to the Welkers and that is why I correspond with Harold Welker so much. It is distant relation but Harold knows I like to keep up with any new info.

Dear Doris,

You're a trooper. Think I must've suggested a clipboard technique that didn't work on your system. I have Windows 95 I think it is and you can copy things to clipboard and then paste them on an e-mail. I haven't tried opening your zip files yet, but do thank you in advance. I have to get my computer assistant to help me with that. Ha. That's one thing I still don't do on my own. But I'm looking forward to delving into that later today.

Have a wonderful day, and keep watchin for my envelope this week.

Yes, Doris,
 I'd be delighted to have your Wiggins info. Maybe the one with the notes if that's ok, cause I am lacking on anecdotal or documentation which you may have there. You can stuff it in with my book perhaps. Let me know if I need to send along \$ome more. I'm enjoying this and don't want to weigh you down.

If you have Family TreeMaker, I might be able to send you directions on e-mailing an Outline descendant chart. Think I sent directions on that to someone else and it worked for them. I may have that saved. Let me know if you want to try.

Cheers,

Subject: Outline Descendant Tree

Hi Doris,

You are the brave one, so here goes.

Do this offline

Bring up your tusco.net screen or whatever page you start your e-mails from.

Minimize that page with the minus sign which puts a little box at the bottom of the screen)

Go to FTM family page of the ancestor and highlight the name of the person you want to start with That highlight is a blue shadow you make with your mouse.

Then Click on "View" at the top

On that list, click "Outline Descendant Tree"

If you wish to change the number of generations click on "Contents" at the top and try different numbers to suit your wishes

Click on "Edit" at the top

Come down that list and click "Copy: Outline Descendant Tree"

Click "File" at the top and then "Exit" under that

Bring back up your AOL (or whatever that you minimized) at the bottom of your screen

Click on "Write" or whatever you do for blank letter format

Put the blinking cursor in the text area and click

Go to "Edit" at the top and then "Paste" under that

It should put your descendant report on the e-letter form

You can make changes to the text as you do with any letter.

Add addresses and Subject line

Click Send later, so on the next flash session , it will go out.

Voila :-)

Hope this may help you with using your FTM.

I had lots of tutoring to get to where I could do this. Ha!

Let me know if this works for you. Hope so!!

Subject: Fourth Cousins

Dear Doris,

FTM says we're 4th cousins. Zee Howell Johnson of Georgia descends from Jonathan Wiggins 1824 and his 2nd wife Mary T. Baker 1839. Wonder if Mary T. and your George Baker 1830 could be siblings?

Along with the descendants you requested, there are some interesting websites I will share and hope you'll do the same as you find them. Found a neat one based on Mae Waggoner's book recently with music and all by Shane Henderson. Try typing in this address

Let me know if it doesn't work.

More later.

Thanks,

Subject: Magness Connections

Hi D,

Regarding this line of the family, the Hugh Carr book is my best authority.

And I have met Fielding Magness and Elizabeth of Plainfield. Also, Mary Smith,

publications chair of CCCOGS has a Magness connection if I remember right.

For a Wiggins connection, have you seen the McFeaters website by Sara Gredler? Go to <http://worldconnect.genealogy.rootsweb.com>

Then you might type in Preble or Greentree and i think that'll get it for you.

Lots of Wiggins in her index.

Let me know if I find something that makes you smile. More later,

Suz :-)

Hello Doris,

Appreciate your getting back to me. Will get something in the mail next week.

Interested to know how your family connect to these ancestors starting with my 3rd Great grandparents on my mother's side
Edward Wiggins 1781 & Mary Greentree 1782 // George Magness 1793 & Mary Evans
GR GR Grand- Jonathan Wiggins 1824 & Missouri Magness
1826
Gr Grand- Debbie Jane Wiggins 1848 & Samuel Jones,
Sr. 1842
Grandparents- Debby Permelia Jones 1876 & Jacob Edmond Wolfe
1864

Then granddad Jacob Wolfe's grandmother was Anna Margaret Waggoner 1778 who married Johan Phillip Wolf and ran the Washington Inn.

On my dad's side of the family, I have connection to Myser/Mizer people around Chili and Fensler and Leatherow.
My Dad had Dal Donovan in high school. While I'm dropping names, Joan Sheets (Wolf) and Gary Loos (Wolf-Waggoner) are both cousins of mine. I also correspond with Judith Adams and Zee Howell. Small world, eh.

Hope to hear about your ties to any of the above
Thanks for listenin :-)

Hi,

I think it is the Ben Wiggins that was married to Jemima Magness. He was b. 1820 and d. 1906 and was buried in the Wiggins Cemetery. I know the picture says 1920 but it might have continued to be called the Wiggins Hotel after he died.

It could possibly be Ben, son of William who was b. ca 1839 and was married to Mary Myers but don't really think so. This William had 2 sons - Ben and Carl. Don't have anything further on them.

Sorry to be so vague. If I ever find out I will let you know.

Dear Doris,

Since I know you have Wiggins date too, maybe this question won't be too bad. On pg. 102 of your book it points to the Ben Wiggins Hotel. If you know,

I'd like to figure which one that might be. I have about 4 Ben's in my list.

Maybe

you know how he's kin.

If not, anyhow, I'm enjoying the book.

Thanks Sue

I got the family charts you sent me. You have done an incredible amount of work! I haven't really had time to compare it to my file yet, but it looks like you added the stuff I sent you all correct. I'll let you know if I see anything odd. I hope you had a good time in California.

Dear Pam,

Here are the descendant sheets that I promised. I only did from Thomas Wiggins (1801-1864) down. If I had done Alexander on down, it would have been 54 pages. If you find mistakes, let me know.

I did include FGS for Thomas' parents, grandparents & great grandparents. Hope this helps putting the connections together.

Let me know if there are other pages you need.

Sincerely,

Doris Baker

Hi Doris.

Sorry it took me so long to respond. Things have been pretty busy, but now we are stuck home because of the ice storm. Unfortunately, I was not able to open your file with any program I have. It looks like it was saved as a backup file for family tree, which I don't have. If it was a gedcom (with an extension of .GED) I would have been able to open it with either my program (Reunion) or with the LDS program Personal Ancestral File.

I'm sorry you went to all that trouble, although I would still be interested to see your Wiggins' family.

Take care,

Pam

I am attaching a file of my database to this email. I don't use Family Tree Maker because I have a Mac, but it exports in the standard GEDCOM 5.5 for windows, so you should be able to read it. I have sent this to someone else and it worked. I just don't know if all of the sources and stuff come out clearly. You certainly do not have to pay me. I'm sure you have been working on this a lot longer than I have. Plus it is a bit harder to do from North Carolina. I would love it if you let me know any mistakes or false assumptions I have made. And if you want to send me a file on the Bakers, I would love that. It is very hard to sort out all of the children of the cousins. I know most about my direct line and their siblings.

Let me know if you can read the file. If not, I can send it in Word, although that would be a bit larger file.

Take care,
Pam

Hello! Good to hear from you. Don't worry about the time, I understand. I have not done anything genealogy wise in months since I have been very busy getting married! We went Ireland for our honeymoon, and I'm very excited to say the trip has finally gotten my husband interested in his family tree. I have sort of worked on his over the last years, but he was only somewhat interested.

I'm glad if any thing I sent you helped. I can't take credit for it all though, as many of our distant cousins have also shared with me. I did much of the work on my direct line, but sorting out the various Baker's & Wiggins' has come from many sources. And some are just our best guesses!

I have not seen your information, but I would love to, whenever you get a chance.
Take care,
Pam

Can't remember. I send to too many people. I do keep all the correspondence though and couldn't find where I sent you anything.

Doris,

Well, you asked for it. I hope this doesn't overwhelm you. As I said, I am part of a very large family, not even counting Thomas & Mary's other children. My father had 6 brothers & sisters, and they all have children and grandchildren. As far as the other kids, I have sent 2 letters to Iowa to what I thought were descendants, but they both came back. No luck there. Please feel free to incorporate this information, as most of this has been documented. I only ask that you be careful with the stuff about living people, but I'm sure you know that. You can see me down there, daughter of Charles Wiggins, granddaughter of Charley. I'm unmarried (at least until October), so I still have the family name.

As far as the other Susannah Baker, I did find her marriage to William Taylor in the Coshocton County Marriage book by Helen Meredith. However, I have not seen official documents with the date. But she was listed in Esaias' will, and in an 1841 land deed to her brother Charles, her and her husband (listed as Lewis Taylor) were listed as living in Hamilton County Indiana. So I'm guessing the other marriage came first? I suppose he was the brother of Charity Taylor, Charles' wife, but I have nothing on the rest of the family. A bunch of the Taylor's, Baker's, and others, including their sister who married Benjamin Wells, went to Hamilton Indiana. But I have only begun to look into them.

Have a good day!

Pam

Doris,

Thanks so much for the file! As I'm sure you know, every little bit of information helps. I would be happy to see your side of the Bakers. It is very hard to sort all of them out. As you can see, I am still trying to document some of the connections I have guessed at, or been given by other folks.

The one question I had about what you sent was about the Susannah Baker, daughter of Esaias below. I do have proof of her marriage to Lewis Taylor from both Esaias' will and a land deed. Do you think she married Isaac first, second, or do you think it might have been another Susannah?

(On 7 Jun 1823 Susannah married Lewis (William) Taylor, son of , in Coshocton County, Ohio. (I had she married Isaac Williams.))

I also have a lot of information about the children of Thomas J Wiggins and Mary Elizabeth Baker, as they were my great grandparents. All of the children who lived had children. I have not been able to find any living relatives although I know there are some. Apparently my grandfather pretty much lost touch with his siblings. My dad said he met Nellie Bowman, and my Aunts remember some of their cousins. But they were almost a generation older since Charley was 55 when he married my Grandmother, who was 25. They raised 6 kids though, so I am part of a very large family.

Anyway, I contacted one of John Earl's daughters about 5 years ago. She was very sweet, but was 94 years old at the time, and I never heard back from her. She had no children, but said her sisters did. I am still trying to reach them.

- i. Charley Tunis (1871-1951)
 - ii. Sarah B. (Died as Child) (1873-1876)
 - iii. Nellie Elizabeth (1877-1974) (Married a Bowman)
 - iv. John Earl (1879-1969)
 - v. Jesse J (1881-)
 - vi. Carl B (1884-1967)
 - vii. Thomas T. (Died as Child) (1876-1876)

I didn't mean to leave this generation out, but I will send it if you are interested.

If you send me a file I should be able to read a gedcom or a word file, or an email.
Thanks again for your help!

Pam

Hope my changes came through okay on the message I sent this morn.
What else did you want? Do you want me to try to send you some of my info?

Doris,

I am sending you a quick family report of the Esaias Baker descendants. I'm not sure how it will translate in email (I think the source listings get confused with text), but this will give you an idea of my direct line, and who I am working on.

I've been trying to sort out which Baker's belong to whom, and which are more distant relations. Some are much easier to track than others as I'm sure you know.

I understand about the attachments since you have to be so careful these days. We got the Mac computer partially because viruses don't effect it. Anyway, if you don't get the gedcom file open, I can send you the Wiggins side another day. I hope this helps your research!

Pam

Hi,
 My computer has a blocker on and won't let me bring up an attachment. It is a security against viruses but is a nuisance when someone wants to send me something. I will have to see how to take the blocker off.
 Thanks.
 Doris

I am not sure how much Diane Patterson knows about the Wiggins. I thought I had her address but can't find it. Ask at the Public Library for her address. She does a lot of genealogy work there. It might be in their book where you sign in to go to the reference room for genealogy. Her email address is skeeter@safeinternet.com

Also here are some email addresses of people whom I have received messages about the Wiggins family name -

Dear Doris

Sorry I have not written or kept in touch as I was in Alabama all fall and winter and just returned to Ohio. Sometime time gets away from me and I don't always get a chance to follow threu on the genealogy like I would like. I am very involved in Alabama and Ohio in the summer is the only time I can work on genealogy. You had ask me if I wanted any charts you had on the Baker. Yes Stacy Wiggins was my grandfather and he was born in Coshocton on March 4 1898. Marie McIntire was his wife and she born Nov.27,1899 in Coshocton and died July 5 1937 she is buried in SouthLawn Cemetery in Coshocton. Stacy is buried in North Lawn Cemetery in Cuyahoga Falls a suburb of Akron. Doris Marie Wiggins was my mother and she married Lewis Flanagan and they had 7 children. She was born May 26,1921 and died Sept 9,1980. Sarah Elizabeth is my aunt and she still is living and so is Clarence Albert who was adopted and uses Stuber as last name. Betty was also adapted out and so was Stacey Jr and have so trace of him , The only thing I know of him he died in WWII. I just now found the Baker file you sent me it was in an envelope I had stuffed away. I also found a neighbor who is a Chaney and is related to Bakers. I believe he said their grandmother were sisters. Again I must say I am sorry for the delay in answering.

Alice Flanagan Collins

Ps I will send the info on my family and Aunt Betty's if you want it and I know little of Clarence's.

Dear Alice

I have neglected to put all the info you sent into my Wiggins file. I do have it in the Baker file.

I thought I had hit the jackpot when I found a Mary Elizabeth Baker but see she was mar. to Thomas Jerome Wiggins. She was also born 20 years too soon.

I do have Mary Elizabeth's birth date and am fairly sure she was born in Cosh. Co. and was probably near Plainfield (once called Jacobsport). I am looking for her death date but she might have died early & was the reason the children were adopted out.

I have checked the cemetery books and available death ~~data~~ records (that I have) and found nothing. Could they have moved to your area (NE Ohio) before she died & she might be buried there?

Found a George Wiggins in Fairfield Cem. in W. Laf. OH + his wife, Mary Wiggins, also his son John Wiggins but no dates for any of them. Record is in Laf. Twp. Book Publ. 1995 by Cosh. Co. OGS.

Hi,

We are back - earlier than we expected. Had some problems so decided to come back home.

Now about the Wiggins family. I am sending via snail-mail some family group sheets that I thought had the answer but looks like they are wrong - that is, don't solve the question - Mary Elizabeth's death date.

You will see what I mean when I send the info.

Till later.

Hi,

Did I send you anything by email? I checked through and thought I had sent something to you but couldn't find it in the "sent mail". I have been corresponding with Pam Wiggins too so might have sent to her and not you.

Just let me know.

I am leaving for the south for 5 weeks on Feb. 4 so if you don't hear from me for awhile that is why.

Dear Doris:

Thank you for your letter and the correct information on my great grandmother and great great grandmother. Mary Elizabeth (Mollie) Baker was married to George Wiggins who was my grandfathers parents. Do you know her birthdate and death date, as I have not been able to find them. My grandfather never spoke of them, he only said he was raised in an orphan home. I thought one I had found her birth but it didn't match anything I had. YES, diffently send anything you have on the Bakers.

I should have said who this is: Alice Collins and my email is den110957@tds.net. We winter in Collinsville, Al. We have our mail forwarded here all winter. Do you have any picturers of the Bakers? I am trying to add picturers to what I have from this point forward. My mothers name was Doris also and her sister is Sarah Elizabeth. Their brothers were Clarence and Stacy Wiggins. Three of the children were adopted out my their parents. Clarence was adopted by Stubbers. Sarah by Couch's and I cann't find out who adopted Stacy Jr. Except it was some one in the Coschocton area. I heard he was killed in the war, WWII. AS I said my grandfather would never talk about anything. His name was Stacy George Wiggins and his wife was Marie McIntyre. WHICH I am now able to trace after a two or three year search. ANY HELP YOU CAN SEND WOULD BE MOST APPRECIATED.

Dear Alice,

I finally got all your info on my Wiggins file in the computer. I still have the Baker section to add to the Baker file. They do cross at several points in these two families.

I do want to point out that Mr. Lane in his book on the Wiggins had an error on page W 3-f. He had that Mary Wiggins was the dau. of John & Betsy Elson^{Wiggins}. This is not correct. She was the dau. of John & Martha Elson Wiggins. Betsy was a sister to Martha but was never married to John Wiggins. There has been lots of research on this for some others have thought Betsy was married to John. After Martha died, John married Mary Ann ^{Benjamin Baker} ~~Johnson~~ ^{Doos}. I think ^{mary Ann} ~~man~~ ^{was} Betsy (Martha's sister) was married to Geo. Wash. Vensel.

Also on page 1 of your Wiggins Family History you had Mary Elizabeth (Maellie) Baker was the dau. of Sarah Jane Wiggins & Perry Baker. It should be Sarah Jane Vensel. Wiggins was Sarah's mother's maiden name.

Since this is my husband's direct line I am sure Martha was Mary's mother.

Dear Doris:

Stacy George Wiggins was my grandfather. He was born in W. Lafayette, Coshocton County, Ohio on March 4, 1898. The birth records just say boy born to George & Nollie Wiggins. He died in July 1970 in Tallmadge Ohio buried in North Lawn in Cuyahoga Falls beside his 3rd wife Clara. He was divorced from Marie M^cIntyre - or at least separated for many years, because he didn't marry his second wife Edith until after Marie's death.

Marie M^cIntyre was born to Frances (Hull) & Thomas M^cIntyre in Coshocton, Nov 27, 1899. I found her obituary in Coshocton Tribune dated July 5, 1937. She is buried in South Lawn in Coshocton in the M^cIntyre plot.

They had 4 children of which she raised none - Clarence Albert born - Feb 20, 1920 was adopted by a Stubber family. He is still alive. Had 3 boys married a Frieda Casper - whose mother was a Baker. 2 of these boys is died.

(1) Doris Marie Wiggins is my mother, she was born May 26, 1921 died Sept. 1980. She married Lewis Flanagan had 7 children oldest son died born April 1, 1937 died 1939. His name was George Aiden Flanagan named after both grandfathers.

I found George Wiggins obituary in the Coshocton Daily Times dated -11-4, 1918 stated he died in his oldest daughters home at Wills Creek. He is buried at Fairview cemetery in W. Lafayette. The tombstone reads.

Hi Doris - Looks like you were up early this morning too. :-)) I was up with my grandson, who was having leg cramps, when this came in just after 5:30 this morning.

I would be the grateful recipient of any info you could send my way. Concerning the McCurry's I have AJ's obituary. He passed away Jan 20, 2008. Also, Bob McCurry, had a son, Kerry Walter McCurry, who passed away Nov 13, 1989. The only info I had on Virginia Workman was from her brother, Willis' obituary. It erroneously listed her last name as Mohn. So info on that family would be welcome.

Concerning Harvey and John I will see what I have and send it to you. I believe it is rather basic, although the info I do have mostly has come from a young lady who is a descendant of Harvey, who I have been in contact with on Facebook.

Blessings today!

Sharon

Hi,

Sharon, I am including you in this email so you know what all I am sending to Jerry.

I finally had some time to look at my file on Mahala and JW. I didn't realize how long it had been since I corresponded with the Workmans - my first letter went to Cora Workman McCurry back in April of 1972 so have been working on this for awhile. Then I next corresponded with Virginia Mohn who sent me the xerox copy of the Workman family - really just Mahala and JW's family. She sent me a picture of Mahala and one of JW but both are very blurred. Would love to have a clearer one. She also sent me copies of pictures of where Mahala's home stood in Lyons, KS. (Someday I would like to go there for my maiden name is Lyon and am thinking some of my ancestors settled there.) She also sent me a copy of a family picture of Cecil, Odell, Dale, Bob, Oda Lee, AJ taken May 1997 or maybe that was from Oda Lee. Melvin Mohr sent me a nice letter telling that Virginia had passed away and sent a funeral card telling the dates. He sent it in the Christmas card in 1998.

Am sure lots of things have happened since 1972 in the family and would like to have an update. I am willing to send you anything I have. Would you want me to send a descendant tree of what I have on Alexander Wiggins. It would be quite lengthy. I can send it email or postal - which ever you desire. Also have the same for Maurice/Morriss Baker.

Sharon, if you want any of these let me know too.

Happy hunting,
Doris Lyon Baker

Hi Jerry - Funny you should mention the Wiggins' in Kansas - I was just in correspondence with one young lady from that family line, yesterday, via e-mail. I "met" her over a year ago on Facebook and we have become "friends". :-) She is descended from the Harvey Wiggins you mention. I finally, just yesterday, got a basic family outline for her line from her. Last year, her dad copied the family information written in Benjamin Wiggins' bible, which is in their possession, and sent it to me. A wonderful addition to my files. I hope J.W. and Mahala were as good about writing down information and you get lots of good stuff!

Yes, Thomas is a son of Edward I. And the pics I have are of Edward I's grave in Brooke Co. I think somewhere I have a pic of Edward II's wife's grave - Mary Greentree. Taken, I think, before I got my digital camera. The pics of Edward I's grave are on my laptop, so I will send you them in another e-mail. If I find the one's from Coshocton Co. - and I really should! - I will scan it and send it to you also.

I'd love to have the info and pic on Mahala. However you want to send it is fine with me, but my regular address is:

Hi,

I had some questions and extra info that you didn't have with what you sent last month on George.

1. You had that George died in West Lafayette, OH but was buried 7 days later at Snow Hill Cem., Page Co., IA. Know it is possible but just wanted to be sure that I had that right.

Do you have anything on him. Some time ago someone asked about the Cinderella Higer and I never found anything more. Did you ever find anything on this family?

Hope this is not too much to go over.

Thanks again for all your help.

I don't mind providing sources and I understand when it seems different. I have several scenarios like that I want to check out and verify. I still am looking for descendants from George's first marriage. I thought for sure I had found some just recently, but no...oh well! I will keep looking!

When I started the Wiggins genealogy I was told there were "other" Wiggins' in Coshocton Co., but they weren't related. But they are. lol Have a similar situation in my mother-in-law's line. In fact, was corresponding with a gal who when she found out which line we were in, just stopped responding to my e-mails. Wouldn't have any more to do with me. <shrug> Her loss, I figure. Sometimes those skeletons rattle pretty loud! lol

Have a great day!

Hi,

Thanks for clearing that up about George. Guess with all this research, I have become too skeptical when i see something that is not "normal". Should have known you would have the correct info since your husband is a direct descendant.

Eileen Waters didn't say where her source was for Laura/Sarah. I have found if I get info over the phone, I put the spelling that I think it is. Sometimes people will get impatient if you ask too many questions like the spelling of names.

A lot of the info I received for Loy Wiggins was from Bessie Wiggins Prater, his sister. She married a neighbor boy from when I was growing up. Guess she gave me info that she might have been hesitant

to give to a stranger. Helps to have an inside lead. 😊

Isn't it great to have all those contacts? Know what you mean. I remember when my husband's mother was living she told me that all the Bakers around here were not related to them. Well I found out differently. Gues she didn't want to be related to some of them - rightly so for have a few scoundrels in the family which every family has.

Happy hunting,
Doris

Good morning, Doris - Hope you are staying warm on this chilly fall day! :-)

On George - I have his death certificate and obit from the Coshocton Tribune, and obit from The Clarinda Herald in Page Co., Iowa. Also, info from a researcher in Page Co., Phyllis Fulk. The cemetery listing I have from her for Snow Hill Cemetery lists George and wife as follows:

Wiggins, G.E. 1851-1918
 Wiggins, Laura, his wife, 1863-1894
 Wiggins, Ida, their daughter, 1892-1897
 Wiggins, Loyd, 1898-1899

Also, I have a copy of the Missouri State death certificate for their daughter, Lillie May Wiggins Gorman and her mother is listed as Belle Hoage. I imagine the spelling of the last name is subjective to whomever filled out the form, but I am fairly confident on her first and middle names. I would be interested in knowing the source for Eileen Waters info on Laura/Sarah?

As for John - I do not have any info on him. Some info I've seen shows Cinderella Higer married to John Edward Wiggins, not John, brother of George. But of course, that could be wrong. I have not verified any of that info and have nothing. Curtiss Stuart and Warren Fitch do also show John married to Cinderella Higer. The 1909 Centennial History of Coshocton Co., Ohio, page 321, states that he lived in Illinois.

Thank you for all the other info! It's great to fill in facts. I have a hard time pinning this family down to talk to them about family things! It's been pretty fractured for a long time. My husband always said his family was small - all he knew was his dad's brothers family and that very little. His dad died at 47 and after that James virtually had no more contact with family. When I had 3 notebooks full of Wiggins I took them and dropped them in his lap and said here's your family. Now I have almost 100 notebooks! lol And am in contact with "cousins" all over the place. :-)

Have a great day!

Sharon

Your George had a brother - John and was b. abt. 1844 in Lafayette Twp., Cosh. Co., OH. He married Cinderella Higer 9 Jan 1868 in Cosh. Co., OH. I think John died in IL but not sure. Do you have anything on him. Some time ago someone asked about the Cinderella Higer and I never found anything more. Did you ever find anything on this family?

Hope this is not too much to go over.
Thanks again for all your help.

Hi Doris - I found I don't really have any new info on John Wiggins. But I do have info on Harvey's line. I have been in contact with his great-granddaughter, Jill Denise Wiggins Clements, (by second wife, Elizabeth Brubaker). She sent me a very basic outline of info for her line, plus her father, Dale Edward Wiggins, copied births/deaths etc. from a bible they are in possession of that used to belong to Benjamin Wiggins. Very helpful. So I have included a report on Harvey's line.

Blessings!

Sharon

Yes, they are all from Brooke Co. With the exception of Edward I's grave, and Mary, daughter of J. & M. Wiggins, the other's are all St. John's Cemetery. Edward's grave and the Mary grave are in the woods in a stone enclosure on (I believe) Tent Church Rd - desperately in need of maintance. Someone did put up a newer marker for Edward, but it and Mary's are the only ones visible there. My husband always wants to work on cemeteries that we visit that need maintance. I told him this one he would have to have some stronger help than me! We worked a few years ago on the Wiggins cemetery (Edward II's line) near Plainfield on what is now the Brelsford farm. It needs alot more work, but we are raising our grandson, who is mildly autistic and we just haven't had time. We cut down trees, pulled up a mountain of briars and weed-wacked all day! James'es brother, Rodney even came and helped. Of course the Wiggins cemetery (Thomas' line) on what is now the Warne property is probably beyond much help. The stones are all in a heap and without some sophisticated technology to locate the graves (which we can't afford), it's beyond us to figure it all out.

I do have more pics - both Brooke Co. and Ohio - if you are interested. I just sent some of the Edward ones because I thought you'd find those interesting, plus the ones for John and Margaret since we had discussed him. It takes awhile to attach them to e-mails but I probably could do some next week.

~Sharon

Hi,
Where did you say all these tombstones are?-- All in Brooke Co., WV?
I want to label the pictures as I print them off.

Hi Doris - yes I did get your message and I'm sorry I haven't replied sooner. It's been a crazy week. We've had our daughter and son-in-law here every day and I've had very little time on line. Today my grandson is in school and I (blessedly!) have some peace and quiet to think! I did the house cleaning I needed to do today and now the rest of the day until Charlie comes home from school I can work on genealogy! yay!

I show just the child for John with Mary Conway. I do not know of any children for Margaret before her marriage to John. As for their children together, I will send you an e-mail with that info attached. I have a picture of John and Margaret's tombstones in Brooke Co on my lap top. I will send you another e-mail with those attached.

As for my husband's line, I can send another e-mail with that attached too. (That's three more now.) All that stuff is on my lap-top.

Hope you have a good day!

Sharon

You are welcome. I enjoy "cemetery hopping" as my kids call it. lol And am happy to share the pics and info.

I was amazed when we discovered that George had another family in Iowa. We knew that James' grandfather, Floyd, and brothers had been born in Iowa, but to find out that George had been married before and had 4 more children was amazing! I still am trying to find any living relatives from that line. We also were unaware that Floyd (aka Ted) had a twin brother who died as an infant. I had a researcher in Page Co. who was a great help to me.

Blessings!

Sharon
