Hello;

I have finally sorted out the information you sent me on the Lehman families and think it is in the right order in most cases but when you have to do this kind of work just a few minutes at a time it sure takes a long time to do it. The charts I always have some place that is wrong after I have it finished and have to do it over.

I have no idea what you told the Lehman families it would be in but I have run it as short as I could as I do not have the time for family sheets & I know that is nice.

Also do you want your sheets back ? I have tried to keep them together but not sure they are all there.

The family of Lehman's that I list at the start of this work I found in a book marked Early births in Pa. but if Christian is from this line there is one generation that I didn't find more than likely in York Co. Pa..

When you are down this way stop and we can try to answer questions you may have. This is stored on a disk and can change a spelling mistake very easy.

Yours Truly;

Hugh G. Carr

said it was Christian.*

CHRISTIAN LEHMAN FAMILIES

Christion Lehman was B. in Pa. about ^{7 Feb} 1807 and might be that his father was either Christion or Henry as they were in York Co. in 1810, I think that Martin Lehman would be Granfather of the Christion who came to Tusk. Co. Oh. and lived in Buck TWP. near Baltic, Oh. with his family on the 1850 census.

I want to thank Doris Baker as she furnished most of this information on the Lehman and all those who helped her with their information, Audrey Hanni for most of the Groff line. I have added some information that I was able to find.

A word about the index on this work, Look for the first letter of the last name and then find the first name, There are about 402 names on this index.
