CLASS OF 1957 INFORMATION

Name James Galen Craigo

Spouse's Name Lois (Swank) Craigo

I married Lois Swank of Charleston, MO in 1960
We moved to Seminole County, Florida in 1964 where we still reside.
We had three sons, Sheldon, Brian, Alan. They all live in this area.
I have two teenage granddaughters, Candice & Cassandra, who spend
a lot of time with us. They, of course, are the apple of my eye. We are
a close family.

Following graduation from high school, I attended Olivet Nazarene
University in Kankakee, IL for 3 years where I met my wife. After
marriage, I transferred to Southeast Missouri State University where I
graduated with a BS degree in Secondary Education – major in music.
I taught band & chorus in Clarkton, MO for 2 yrs, then moved to
Florida to seek my fortune – I'm still looking☺.

I ended up working for the Orange County Health Dept, Division of
Environmental Health, for 36 years. I retired in 2003. I currently do a
little consulting work on the side.

During that time I also was a minister of music at a church in the area
(my first love which I still do).

For several years my wife operated a large day care \ pre-school
facility in this area.

We are doing well – good health – couldn't ask for much more.
We live in an enclave of small ranchettes (2 – 10 acres) surrounded by
subdivisions and shopping centers. We have a horse and a rooster
(several chickens in the past), dogs & cats. People across the street
have 12 horses. It's a nice quiet area though. My father, who is 96
and doing well, lives with us.

I would enjoy hearing about everyone. If anyone is in the Orlando
area visiting the great 'mouse house' or other of our great tourist
venues, you're welcome to stop by if you get the chance.

My wife & I with our two younger sons.

My two 'hip' granddaughters & oldest son & wife with new Harley

Stories about your life or about high school you would like to share with your classmates On our Senior field day
a few friends and myself decided to go
swimming in the local reservoir which was
located on the hill by MINE house. We girls
didn't do any damage, however, we got in
serious trouble. My Dad was a member of
the city council. — so got in trouble at home.
But when the police chief came to school
and pulled me out of class and warned
me about breaking the law. It was such
an embarrassment and certainly taught
me a good lesson in my youth.
