Mrs. Lucy Mickiner,

Tuscarawas Co.,
Ohio.

Camp Alger Va. June 13 98.

My dear mother:-

Enclosed find m.o. for \$5.00.
We got our government pay Saturday
in Gold. No doubt you will need
this next month when taxes and
insurance is due and as you are
selling very little stuff it may
help you out some, so I thought.
Take and use it; it is as little as
I can do to help you. We may
have more some time. I wish I
could send a thousand. We will send
box at some time near the last of the
week. Will go by freight to Eugene
or Lydick. They will tell you and
you can get my bundle.
We go on guard duty to-morrow.
Got our new guns to-day.
Springfield rifles.

Another 13 deal for Co. M.
Got our new guns on
the 13th
