REUNION OF CLASS OF 1932

Fifty-three Members Present

JUNE 10, 1967

(REPORTED BY EVELYN BYRD FOR ECLIPSE TIMES EDITED BY JOHN DILLEHAY)

Mrs. Iris Carr Moonbeam, wife of the man in the moon, entertained at the Lunar Salon the members of her class of N. H. S. Calvin Johnson, Ray Marlatt, Alta Kedigh, and Virginia Hackenbracht, directors of the Aurora Borealic Light Association arrived via the Comet Transportation Corporation owned and operated by Stella Knezevich with Wm. Heifner, head mechanic. Edythe Barthalow, Ruth Norris, and Augusta Rothenstein, charter members of the Seven Sisters Sorority had arrived a few hours earlier with Betty Lyons in her new Lockheed. They spent the night at the Greencheese Inn, Plaza de Limburger where Miss Waneta Wilson, hostess at the inn joined them the following day. Before continuing the trip Elizabeth Richmond, beauty expert from the planet Venus, administered facials and powdered their wigs. Bob Zim-

mer, Earl Reed, Chas. Coutts, and Howard Groff, members of the Castor-Pollux fraternity, after thumbing their way to Cheeseboro stopped for a coca at John Milburn's Star Dust Roadhouse. They were attracted by a new electrical sign installed by Ellis Sergeant reading, "SOFT DRINKS ONLY SOLD HERE." Due to the extensive business John has had Charles Raine construct an elevator system reaching to the penthouse on the 80th floor. Olaf Murphy, ambassador from Ireland to Sweden, joined Charles Arth, recent winner of the Neptune prize for long distance swimming, at Dublin, where they chartered a rocket captained by Wm. Beers. Other passengers of the rocket were Marcella Eagon, Margaret Miller, Eva Murphy and Edna Black who have been making a tour of the planets under the auspices of the Satellite School of

Poetry. Comfort to the passengers was insured by Steward D. Stoffer. A pallet tickling lunch concocted by Jennie Furbay, dietitian, was served to them.

The decorations of the Lunar Salon were designed and executed by Thelma Crater. All enjoyed a delicious dinner, a unique feature of the menu being milk cocktails supplied by Booth's Milky Way Dairy.

The entertainment of the evening was furnished by the members of the class. Florine Marlatt delighted all with an organ solo, "Music of the Spheres." Don Pickering, world famous cornetist, and his Big Dipper Orchestra furnished the music for Peg Hillegas' feature dancing. Among the other guests present were Rev. H. Haver, Senator Edgar Emerson, Robert Keiser, Manager of the Great Bears; John Foster, President of the Cassiopeia Chair Co.; Ben Robinson, Manager of the Nebular Department Store; Doris Palmer and Iva Smith, members of the Board of

Censurship for the Polar Star Movie Corporation; Edna Baughns, teacher of astronomy at Wilberforce; Florence Miller, Latin professor at Pegasus University; Wilma Pope, accountant for the Hercules Bank; Marian Zimmer, personnel sales director in the Zodiac Department Store, Vodean Starts, stenographer for the Rockford Cheese Co., and Jack Conrad, merchant from the Tropic of Capricorn. Many of the guests agreed that Roy Dennis, director of the Mercury School of Athletics, had profited greatly by Helen Rennard's beauty talks broadcast over station BLAH, Apollo Island. Three members, Bertha Smith, Sarah Schlarb, and Rachel Loos, were attending an inter-planet convention of Woman's Clubs and so were unable to be present at the reunion but were brought before their classmates by means of television recently perfected by Roscoe Pierce. FOOTBALL SEASON

The season's record of three victories, one tie and six defeats, for the Newcomerstown Trojan eleven shows the effect of the injury jinx which continually hovered over the team. Bad luck hit the Trojans in the initial fray when Ed Booth, veteran quarterback, sustained a fractured collar bone while returning a punt on a muddy field in the Caldwell game and was unable to play the remainder of the season. From then on injuries among the other varsity players kept occurring, and this factor coupled with a stiff schedule, was too much for Coach Ray Coleman's warriors to handle successfully.

Two outstanding players of the season were John Dillehay and Captain Roy Dennis. Dillehay proved to be one of the most versatile players N. H. S. has ever produced. He has filled every position on the eleven during his high school football career. Captain Dennis was unable to play in several games due to a broken nose, but when he was in the line-up his line plunging from the fullback berth was dynamite to the opponents. In fact every member of the squad covered himself with glory for Old N. H. S. in the face of heavy odds.

BASKETBALL SEASON

The Coleman boys had a fairly successful basketball season this year winning six games and losing eight games. There were but three veterans, Beers, Clough, and Booth, from which to build an attack. In spite of this handicap it was a scrappy team of Trojans which represented N. H. S. on the hardwood court. The climax of the season was reached at the close of the season when New Philadelphia was defeated 16 to 13. Beers, captain and veteran forward of last year's championship team, contributed 63 points to his team's success in addition to playing a

stellar defense game. Booth, showing the best form of his four years of Varsity competition, played a guard position and added 40 points to the season's total. Dillehay, starting at guard and changing to center, scored 49 points for N. H. S. The contribution of McElhaney, center and guard, was 46 points. Clough doing his duty at a forward position claimed 35 points for the Trojans. Eighteen points were added by Conrad, playing alternate forward. The steady work and enthusiastic loyalty of the entire squad made the season a success.

First Row: Paul Hammersley, Chester Cosner, Edwin Fletcher, Charles Foust, George Maxwell, Floyd Fisher, Robert Elliott.

Second Row: Dean Palmer, Ordell Kornes, Arthur Wilkins, Coach Ray Coleman, Manager Charles Raine, Carl Seiber, David Davis, Robert Wolfe.

BASKETBALL RESERVES

The basketball reserve squad, consisting principally of freshmen and sophomores, enjoyed a fairly successful season, winning four games of the six games. Much can be expected of these

boys in the next two or three seasons. They have proved to N. H. S. that they can and will take the places of the veteran varsity members.

BASEBALL SEASON

Baseball was made a minor sport in the New-comerstown High School during the season of 1931. The Trojans were victorious in only two of the five games, winning from Gnadenhutten and Midvale, and being defeated once by Gnaden-

hutten, and twice by New Philadelphia. The squad with but few exceptions, was composed of players lacking in experience. Seven of the players will be available for the 1932 line.

ALUMNI ASSOCIATION

With the graduating of the class of 1932, the Newcomerstown Alumni Association adds the fiftieth class to its roll. Exactly fifty-two years ago this spring a class of five young people was graduated from the Newcomerstown High School. They were given diplomas certifying that they had completed a teacher's course. The Commencement was a gala affair, being held in the Crater Hall (where the Neighbor Hall now stands). A member of this first class now describes the lighting effect as "very beautiful". It consisted of three or four kerosene lamps, suspended from the ceiling.

The next class to graduate was that of 1882. From this time on classes were graduated each year with the exception of 1895, when the high school course was changed from three years to four.

The earliest account of any of the classes is found in "The Eye", a newspaper published in Newcomerstown in the years of 1878 and 1879. It gives a monthly report for the Newcomers-

town schools. The High School at that time was credited with twenty-one members, fourteen girls and seven boys.

It is believed that the first Alumni Banquet was held in 1887 in the Town Hall. Another was held the following year at the same place. From this time until 1911 there was no definite Alumni Association. During the intervening years informal receptions were occasionally held for the incoming classes. Mr. and Mrs. A. J. Crater were quite frequently the hosts.

The revival of the Alumni meetings was begun by the combined efforts of the classes of 1909 and 1910 which culminated in a banquet in 1911. From this time on the Alumni Association has continued meeting almost annually.

The Alumni of N. H. S. now number more than eight hundred and fifty. This year's class adds another half-a-hundred to that number.

Let us hope that from now on the entering classes will be ever larger, but may the fellowship of the Association ever remain the same.

Fair Play...

"Fair Play Wins the Game"
On or off the field, you know
that Fair Play counts!

For thirty years Penney's, too, has proven that fair dealing is its own reward. Being "on the square," they have vigilantly guarded the high quality of their merchandise. Fostering Fair Play, they sell at the lowest possible price that massed buying for more than 1450 stores makes possible. And Penney's has earned its compensation in good-will from thousands of satisfied customers

Points of Advice for H. S. Girls

1. Never make dates with Biology students; they enjoy cutting up too much.
2. The football man is all right; he will tackle anything.
3. The tennis man is harmless; but he enjoys a racket.
4. Watch out for the baseball man; he hits and runs.
5. Always let a member of the orchestra talk about himself; he enjoys blowing his own horn.
6. Be careful of a member of the dramatic club; he usually has several good lines.
7. Don't play cards with a civil engineer; he is a bridge specialist.
8. Keep away from basketball men; they are usually fast.
