## Meet our Director

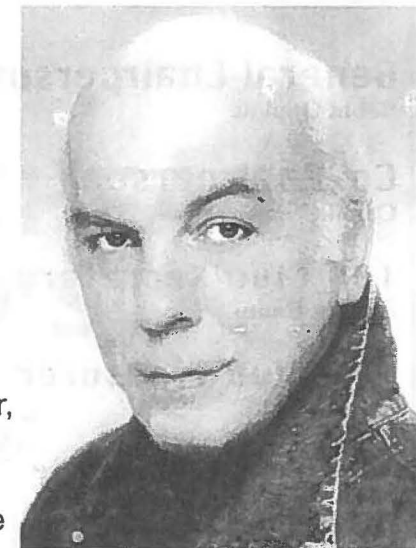

The director this year is Michael Dayton, who has now put more than 30 years of theatrical experience under his belt. He has worked as a professional actor, singer, dancer, designer, puppeteer, choreographer and director.

Some of his favorite shows have been

"Little Shop of Horrors," "Annie," "Fiddler on the Roof," "A Funny Thing Happened on the Way to the Forum," "Sweeney Todd," and "La Cagè Aux Folles." In fact, Dayton has just finished appearing in Florida theater, playing Merlin and King Pelinor in "Camelot" and the devil in "Damn Yankees."

Besides appearing in New York City, Dayton has toured all over the country and has appeared in several films and on television. Several of the stars he has worked with are Shelley Winters, Charles Nelson Reilly, Sid Ceaser, Dom DeLouise and Burt Reynolds. But without a doubt, he said, his favorite co-stars were Kermit and Miss Piggy.

After living and working in New York City for 15 years, Dayton now makes his home in St. Petersburg, on Florida's suncoast. When he's not working in theater, Dayton is an award-winning artist.

"Peek-a-boo, I Love You"

"This production is not intended to advance the art of the theatre. None of our cast have Hollywood or Broadway as their objective. Our members, husbands and friends are donating their time and talents and having a "lark" playing theatre, hoping to give you a good time and more importantly, to make a nice profit for our 100 Club.
