LOYALTY

We're loyal to you, N. H. S.
 We're orange and black, N. H. S.,
 We'll back you to stand
 'Gainst the best in the land
 For we know you have sand
 N. H. S. Rah! Rah!

So keep that in mind N. H. S.,
 The rest are behind N. H. S.,
 Our flag is our fame protector
 On classes, that we may do great things
 For old N. H. S.

Fling out that dear old flag of orange and black
 Bring on ye Seniors and ye Juniors ahead
 With classes of thrift and courage
 Placing reliance, shouting defiance
 N. H. S.

Amid the broad green fields that nourish our land,
 For honest labor and for courage we stand for
 And unto thee we pledge our heart and hand
 Dear old Newcomers High School grand.

Newcomers High School, we love to cheer,
 Ever victorious, year after year;
 Come boys together, we'll cheer forever
 Newcomers High School, Rah! Rah! Rah! Rah!

Newcomers High School, we're proud of you,
 You make us faithful, loyal, and true,
 You give us knowledge, fond hopes of college
 Newcomers High School, Rah! Rah! Rah! Rah!

When we're Alumni, dear N. H. S.
 We'll give you credit for our success,
 You taught and cheered us
 In wise ways reared us,
 Newcomers High School, Rah!

History of the Senior Class

The great curtains of night were drawn aside and a new day dawned in inexpressible ecstasy. It was September. The large steel doors of dear old N. H. S. were flung open and bade welcome to eighty-five verdant Freshmen. What a class! The largest she had ever held. What joy must have come to her as she beheld their promising countenances.

Time and space will not permit the revealing of the many sidesplitting blunders which the Freshman became heir to. Each one, as well as the writer himself, experienced a thrill of his life upon entering the duties of old N. H. S.

Early in the year a class meeting was held and the class officers were selected for the Freshman year. We chose as the leader of our class one with undisputed and untiring ability. Willis Roe exhibited such remarkable talent in the capacity of president, that we again in this our last year consider ourselves very fortunate in having bestowed upon him this honor and choosing him to pilot our ship again, knowing that we need not fear or question the outcome of the voyage.

Among the social activities of the Freshman year was a party which proved a great success.

September came again and found us Sophomores. We proceeded with the routine of electing officers and chose Virginia Berry as president. This year was marked in the social items with a Freshman-Sophomore party.

Our Junior year was crowned with many delightful events. Virginia Mae Conrad headed the class as president. Virginia exhibited a great talent in oratory when she defeated three of her fellow-classmates, the writer included, in the Prince of Peace Contest.

On May 11, 1928, the Junior class presented "Cyclone Sally" as their class play. The cast consisted of nine prominent Juniors, and under the direction of Miss Macmillan, made the play a huge success.

The Junior-Senior banquet was held on Tuesday Evening, May 29, and was highly approved by the entire Senior Class and guests of the evening.

Each year a few of our number with-drew until now we have but fifty-two. We are certainly proud despite this loss to carry the honor of being the largest graduating class in the History of N. H. S.

These four years though filled with many difficulties were brightened by the sunshine of humor and jollity. Many pleasant memories come to us as we look back over the pages of history of the Senior Class of 1929, and there comes a little tint of sadness when we realize how soon our associations and fellowships shall be severed and we launch out deeper into the sea of life.

We trust that from this class will come such characters as shall cause the world to stand amazed at the wonder of it all and bring to dear old N. H. S. an honor worthy to be written in gold on the pages of her history.

—Eugene Thompson

Senior Class Poem

"IT'S WORK TO REACH THE TOP"

We've got to make our life worth while
At work, at school or play,
By the working, not the shirking
We can make good today.

We all must set our aims in life
Beyond our reach or grasp,
By the striving and the thriving
We reach the top at last.

We may in time conceive our aims
May that not hold us fast,
By pursuing, not receding,
Keep aims beyond our grasp.

The rain may pour for just a while
The sun is bound to shine,
But by study to be ready,
Success may come in time.

We've got to work to reach the top
They're few that ever do;
We've got work, no time to shirk,
Be noble, good and true.

So to our class of twenty-nine
May all success be due;
We'll have to climb to reach the top,
Our aims to carry through.

—Viola Mercer Barthalow

Senior Class Prophecy

1345 Broadway, New York City,

June 3, 1935

Dear Hazel and Ginny Mae:

I have been thinking of our old school days, so I decided I'd write you a big long letter. Do you realize that just six years ago we graduated from dear old N. H. S.? I wonder if we can find out what all our old schoolmates are doing now. First of all, I wish to compliment you two girls on the wonderful hotel that you have. I came to see you about a week ago but you were out of town on business. You have certainly been very successful in your work and you deserve much praise for your achievements.

Last Wednesday night I went to hear the Boston Symphony Orchestra and of all surprises—Bob Byrd was wielding his baton as the very efficient leader! After the program I talked with him and he told me that Connie Cooper is governess in a very rich family here in New York and that she is now on a trip to Europe.

I read in a home-town paper that Eugene Hartman is now one of the joint owners of the Sinclair Service stations of Pennsylvania and that John Little has gone South where he is teaching History in a prominent high school.

I have been hearing so much talk about the wonderful painter who just come to New York and the other day one of my business partners pointed him out to me. I thought he looked familiar, and, on closer view, I recognized him as our own little Joe Maxwell. I stopped to talk with him and he told me that he had just returned from a visit to N. C. T., where he learned that Margaret Fletcher is teacher of the eighth grade and principal in the West Building there.

I met Mrs. Meyer in New York the other day and she told me that Mary Kathryn is married and living in Detroit, where her husband, Mr. English, is office manager of several large service stations. She also told me that Helen Lehman had married Lloyd Huff and that he has now a very prominent position with the Heller Brothers Company in New Jersey.

Last evening I attended a movie and in the News Reel I saw a picture of Floyd Stocker, who had won a prize for operating the largest and most efficient dairy farm in Wisconsin. Maybe some of his success is due to his wife because, as you know, he married Hilda Ripley shortly after they graduated. Speaking of marriage—I suppose you know that Charles Stoner and Mary West have married and are now living in Fostoria?

In the same News Reel that I saw Floyd's picture were shown the pictures of Elmer Yanai and Ben Barthalow, who graduated from O. S. U. and have also been chosen as two members of Grantland Rice's All-American team for this year.

Isn't it wonderful that so many members of the class of '29 have proved themselves to be famous and really worth while? I think they all deserve much praise and honor.

About a week ago the cruiser "Italia" came into New York harbor and whom should I notice among the crew but Loren Brown and Walter Hammersley! They told me that Ruth Troendly and Mary, her sister, were waitresses on that boat. About fifteen minutes after the boys went back on the boat another surprise greeted my eyes—Marjorie Wise and Violet Mercer walked into the customs house! They had gone around the world, traveling on this cruiser. Marjorie told me that during a stop-off in Panama she met Ralph Robinson, who is chief engineer on a very important construction there. While in the Phillipines she met Geneva Marlatt, who is a very well-known English teacher in a high school there.

Yesterday I received a letter from Viola Barthalow and she said that Mr. and Mrs. Laurence Heller and their three children from New Jersey visited their parents last week-end. "Larry" is a partner of the Heller Brothers, and George has a prominent position on the railroad.

I don't recall where anymore of our classmates are, so when you answer, tell me anything you might know about the rest. I would certainly enjoy hearing about them!

Yours with love,

Your old pal,

Milly Earley.

P. S. Oh, yes, Carl McFarland and Chester Lehman are research workers in Africa.

N

Bide-A-Wee Hotel
2913 Fifth Avenue, Cleveland, Ohio,

June 19, 1925

Dear Milly:

You can't imagine how glad we were to receive your letter and how sorry we were that we were not at home when you came to visit us.

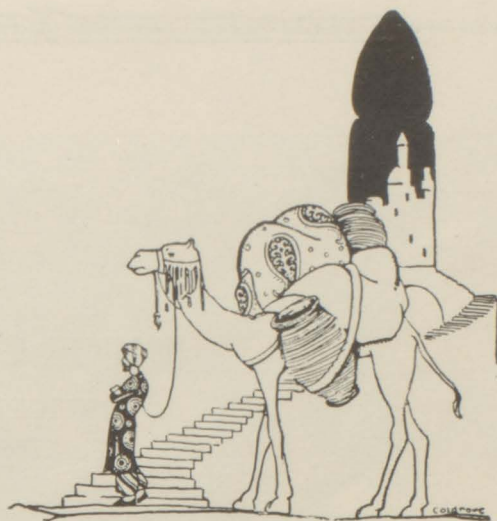

Your letter was very interesting because we hadn't realized how many of our classmates are achieving fame and in only six years after we graduated, too! Maybe we can tell you about some of the ones you didn't mention in your letter. There's Robert Crater for instance. Of course you've heard how well he's succeeded along the artistic lines. He's been painting portraits of movie actresses in Hollywood. And Marion Johnson is here in Cleveland. He's one of the operators at Keith's Palace.

We had a letter from Willis Roe the other day. He is an aviator. He told us that he had flown to Los Angeles recently where he had seen Carl Lyons and Thelma Neighbor in an act at Keith's Palace. They're two of the best comedians on their regular circuit.

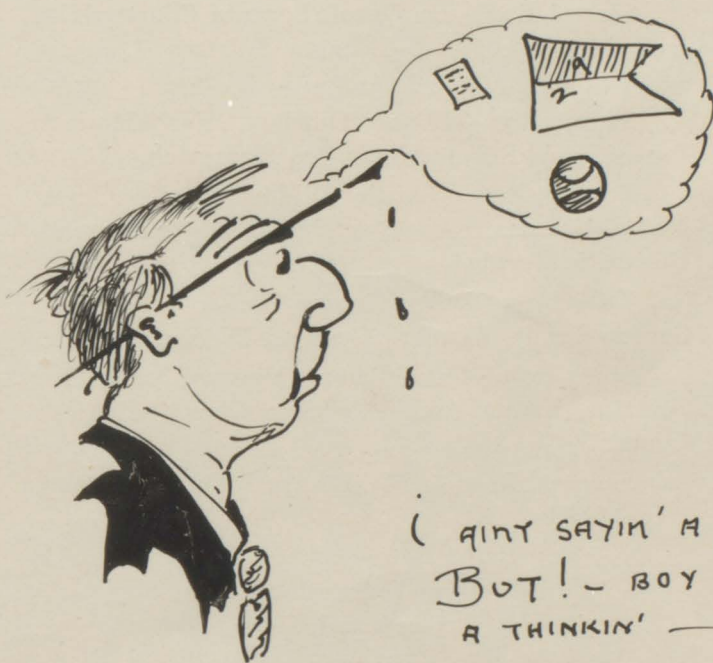

I guess you're wondering why we weren't at the hotel when you were over. You see we had heard that Eugene Thompson was to hold Evangelistic meetings at the M. E. church at Newcomerstown and we couldn't miss hearing him. He's really quite wonderful. While we were home we saw Frances and Rachel Crater. Frances married Howard Jones shortly after graduation and Rachel is a stenographer at the Heller Brothers Company. Rachel told us that Bernice Brown and Glenn Stewart were married last year and have started a poultry farm south of Newcomerstown. Hazel Huff and Harold Marlatt are married too, and are living in the old home town.

While we were home, we walked down Canal Street and what should we see but a sign saying "MATILDA MURPHY—PHYSICIAN AND SURGEON." We thought since we were there we might as well drop in and talk to "Tilly". Inside another surprise awaited us. There was Izola Hannahs as Dr. Murphy's efficient nurse. Matilda told us that Mildred Oaklief and Florence Folkert are teaching in the new kindergarten at home, and John Callentine and Robert Lee have gone to Wisconsin where they have important positions in the steel mills. She also told us that Verna Allen is married and is living in Toledo and that Frederic Loader is occupying a high position with the Pennsylvania Railroad Company. So when we think of the great athletic coach of Cornell and realize that it is Ike Hayes, and when we remember that Jack Kirby is enthraling large audiences with his saxophone numbers, and that Arthur Tufford is sports editor of the Pittsburgh Post, we can't help feeling just a little bit proud that we're members of the Class of '29. And we're glad, Milly, that you like your work so well. You know it isn't every one who can become a Spanish interpreter at a Customs House.

With love,
Hazel and Ginny Mae.

Junior Class History

On September 1, 1926, sixty-one boys and girls entered the gates of high school to carry the name of "freshmen". Some at first were discouraged by the pranks and jokes of the upper classmen, but in about a week the dismal clouds turned blue and everything started with a hum. The class organized and elected the officers for the year, and we freshmen played the game to prove ourselves to be winners, not losers. During the year we had a party and several weiner roasts and joined in the other school activities and showed our loyalty to N. H. S. When it came to athletics our class was outstanding. Several of our boys made the varsity football and basket ball teams, while the girls came forward and showed their ability in basket ball.

When we started into our second year we found that our enrollment had decreased to about forty, but nevertheless we began anew. This year our class contributed several to the various musical organizations, as the glee clubs and orchestra and we found that great talent was wrapped in the Sophomore class. Quickly the term rolled by and we enjoyed the summer vacation.

When we assembled again this fall we found that our number had again taken a back slide and we started our third year with only thirty-five. In our class, athletics have held a high place. All the high school has appreciated the steady work of Bennett, Brode, Fletcher, and Knezevich in the football seasons, and we are proud to know that Bennett, one out of our ranks, was elected captain of the football squad for next year. When the basketball season opened our boys again came forward and Bennett, and Bretzius represented us and showed their ability for their high school. An important event of this year was our class party which was a huge success, and in early December we chose our class rings which we are very proud of and will be a remembrance of the days we spent in N. H. S. Among the greatest of our expectations this year, will be the presenting of a class play, in which we expect to show the talent of our class. We are also looking forward to the banquet which we are going to give in honor of the senior class before they withdraw from the ranks of N. H. S. to enter upon the higher duties of life. We have held our part in the standards of dear old N. H. S. and will be loyal to the end.

—Ruth Richmond.

History of Sophomore Class

September 26, 1927, seventy-four Freshies entered the gates of N. H. S., determined to show the upper-classmen their ability.

November 21, 1927, the annual Freshmen party was held and proved to be a great success. Many other festivities were held throughout the year.

We were represented in athletics by several students of the class. Girls and boys, alike, showed great ability in these activities.

Since we were not permitted to enter the Glee Clubs, we formed a Music Club of our own. Mrs. Roche consented to be our instructress.

At the end of the Freshmen year we had acquired one link in the chain of success.

At the beginning of the Sophomore year we entered as a group of sixty-one students, determined to reach our goal and maintain our high standards.

When we first assembled as Sophomores we elected officers, chose a motto, as well as class colors and a flower. Later in the year when we had become accustomed to routine of school proceedings, we appointed a capable committee to be in charge of the Sophomore party. It proved to be a great affair.

As Sophomores, we were able to enter the Glee Clubs. Many classmen, a large number of which were Sophomores, were given the honor of being members of the Glee Clubs.

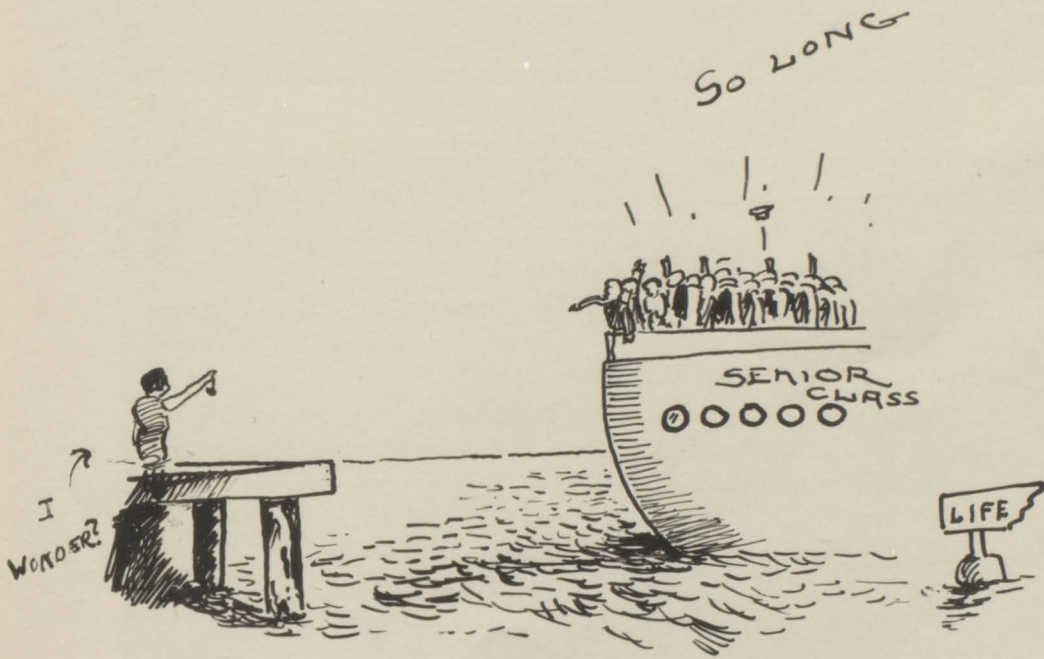

We not only achieved great fame in music but ranked equally well in athletics. This year as well as last year our class had the privilege of having several of its members participate in football. Many of our girls also showed great ability in basketball.

We have nearly completed the making of another link in our chain of success. Each member of our class is doing his utmost to carry on the traditions of N. H. S.

Freshman Class History

On the fourth of September, 1928, seventy-four Freshies entered the stately portals of N. H. S.

The first class meeting was held on September 20. At this class meeting the following officers were elected:

President	-	-	-	Edmond Booth
Vice President	-	-	-	Jack Conrad
Secretary	-	-	-	Don Pickering
Treasurer	-	-	-	Iris Carr
Faculty Advisor	-			Mr. Howard Brainard

At the next class meeting on September 26, the following officers were elected:

Historian	-	-	-	William Beers
Editor	-	-	-	Margaret Tidrick

On October 25, the class gave a Hallowe'en party. Refreshments were served and everybody had a fine time.

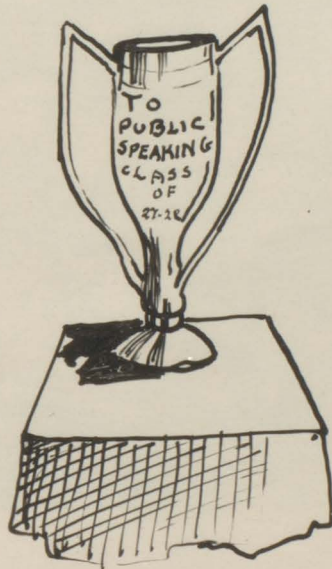

On Thanksgiving Day the Freshman team played Junior High in football and triumphed over them 6-0. The game was a preliminary to the annual High School-Alumni clash.

The Freshman class contributed two letter men to the football squad. It also claims the varsity basket-ball center as a member of the class.

It has contributed four boys to the High School Orchestra. Since the Glee Clubs are open to upper class men only, the Freshmen have music by themselves once a week.

We, as members of the Freshman Class, have tried to help in all the high school functions in every way possible by doing such things as a lowly Freshman may do in the way of selling tickets and by doing small and insignificant things. We the Freshmen class, will try in every way possible to carry on the traditions of N. H. S.

—William Beers.

The High School Orchestra

The High School Orchestra making a number of weird sounds which were supposed to be melodies has been able to acquire some knowledge of music at our practice each Wednesday morning. At each of the first few meetings, Miss Layton's voice could be heard endeavoring to direct and shape some music out of the chaos of sounds produced by the orchestra.

After much hard work we played at the School Carnival, at Chapel exercises, and other school entertainments thruout the year.

Altho this is Miss Layton's first year with us, we who are Seniors hope she can continue in her work as director of our school orchestra and feel that the orchestra next year will be even better than this year's orchestra has proved to be.

—M. M. Murphy.

GIRLS' GLEE CLUB

"Music is to the soul what the plow is to the soil. Music makes the brain more active, makes life better, more harmonious. It drives out disagreeable thoughts, brings in ideas of beauty, hope and aspiration."

The Girls' Glee Club has been one of the most prominent of the musical activities in our school. In order that we maintain a high standard of public school music we have held the above thoughts uppermost in our minds and in every way try to place music on a higher plane. We have been led in this deeper appreciation of music by Miss Layton. Not only is she highly capable in conducting, but is deeply cultured in the realm of music.

There will be music and consequently a history of music; but music will last as long as the world will last.

—Violet Mercer.

The Boy's Glee Club

Early in September Miss Layton called for material for the Boy's Glee Club.

Immediately after she had selected the ones whose voices should make the auditorium ring with music, we elected the officers. They are as follows: President, Eugene Thompson, Vice President, Bill Roe; Secretary and Treasurer, Kenneth Bennett, and Librarian, Donald Ford.

Although there are only two of last years members back, the Glee Club has made great strides in making a good reputation for itself, and we hope to gain much more glory before this year is completed.

And now, the members of our Glee Club wish to thank Miss Layton for the fine way that she has helped and instructed us.

—Bill Roe

BOYS' GLEE CLUB

First Row—Pianist, Margery Palmer, Eugene Thompson, Donald Loader, John Milburn, Albert Callentine, Louella Layton.

Second Row—John Baker, Willis Roe, Chester Lehman, Donald Ford, Joe Knezevich, Kenneth Bennett, Woodrow Portz, Eugene Chapman.

Third Row—Dale Longsworth, Charles Herbert.

“THE GASHOUSE GANG”

A crazy name, eight comedians and lots of noise—jazz (as played by Gashouse Gang).

That was the attitude of the High School before we made our first appearance. However, we changed their minds concerning the noise idea. We have not been in existence very long but the future looks very bright and we certainly receive the praise of the High School. Every one in the band is a student but one and he is an alumnus of N. H. S.

The following is the instrumentation of the band:

“Dittie” Carney	- - - - -	Trombone
“Johnnie” Dillehay	- - - - -	Bass
“Ike” Hayes	- - - - -	Trumpet and Leader
“Bill” Jordan	- - - - -	Traps
“Bob” Hinds	- - - - -	Reeds
“Chuck” Phillips	- - - - -	Piano
“Bob” Byrd	- - - - -	Reeds
“Duke” Risher (not in picture)	- - - - -	Banjo

MUSIC APPRECIATION CLUB

Within the portals of N. H. S. a club has been formed for the purpose of appreciating and understanding music. Although yet in its infancy the organization has progressed much. The members have encountered many new musical terms and untangling these, have found out that it is very interesting to study music.

Miss Layton has taught us melody writing and harmony, and it is hoped that some great composer may go out of the doors of N. H. S. The lives of the great composers of yesterday and today have been studied and we are endeavoring to profit by these.

Several of the members heard the Boston Symphony at Columbus last fall and brought back interesting reports which aided in the study of symphonies.

We do not as yet have a very large membership, but we hope that next year Miss Layton may be supervisor of a bigger and better Music Appreciation Class.

The members are: Margery Plamer, Margaret Fletcher, Virginia Conrad, Robert Byrd, Louella Layton—instructor, Ralph Robinson, Isaac Hayes, Hazel Bower, Violet Mercer, Absent—Virginia Heller.

Junior Class Play

On the evening of May 11th, 1928, the curtain was drawn on one of the most interesting class plays ever presented in N. H. S. It was the Junior Play, "Cyclone Sally".

This three act comedy was the story of the romance of Sally Graham, better known as "Cyclone Sally," and Jack Webster, the owner of the large Webster estate. Many other interesting and humorous characters were brought in to help develop the plot, and the play came to a very amusing and appropriate end, as good plays always do.

The cast was as follows:

Jack Webster	- - - - -	Robert Byrd
Reggie Manners	- - - - -	Eugene Thompson
Jim Jerkins	- - - - -	Willis Roe
Willis Clump	- - - - -	Carl Lyons
"Cyclone Sally"	- - - - -	Virginia Mae Conrad
Jenny Thatcher	- - - - -	Thelma Neighbor
Ruth Thatcher	- - - - -	Margaret Fletcher
Effie Varden	- - - - -	Marjorie Wise
Vivian Vernon	- - - - -	Mary K. Meyer

" WELL - I GUESS
IT TAKES WE
BASEBALL
PLAYERS TO
BRING HOME THE BACON."

*Eastern Ohio Championship
Trophy 1928*

Coach Bauer is a graduate of Wittenberg College, where he was very prominent in athletics during his four years as an undergraduate. In 1927, his Junior year, he was chosen All-Ohio Conference Guard in basketball. He earned his varsity "W" in his Sophomore year in football.

Newcomerstown High School is very fortunate in getting a man of Mr. Bauer's caliber, for he has shown himself a coach of unusual ability in major sports. He introduced an entirely new system in basketball here, a combination of delayed offense and zone defense. He has done a great deal toward creating loyalty and enthusiasm for athletics in addition to his fine work with his team.

FOOTBALL PLAYERS

CAPTAIN BARTHALOW led his team to another successful season. He used very good judgment in calling signals. Although he played quarterback he carried the ball as much or more than any halfback. It was mentioned in a neighboring city newspaper that, "He was a class "A" back field man on a class "B" team." This was "Bennie's" last year for N. H. S. and his presence will surely be missed in the coming year. N. H. S. wishes "Ben" much success in his future years.

KENNETH BENNETT has been elected captain for the season of '29. Kenneth earned his letter at the guard position this year. He was a player that was always found trying and fighting to the best of his ability. He was one of the best defensive guards in the county during the season. We are sure that "Kennie" will lead his team to another successful season for N. H. S.

JOHN CALLENTINE played the full back position and did it in fine shape. Although he only scored 3 touchdowns, he surely made up with his great defensive play. Newcomers will surely feel the loss of a very capable football player when "Johnny" leaves N. H. S. this summer.

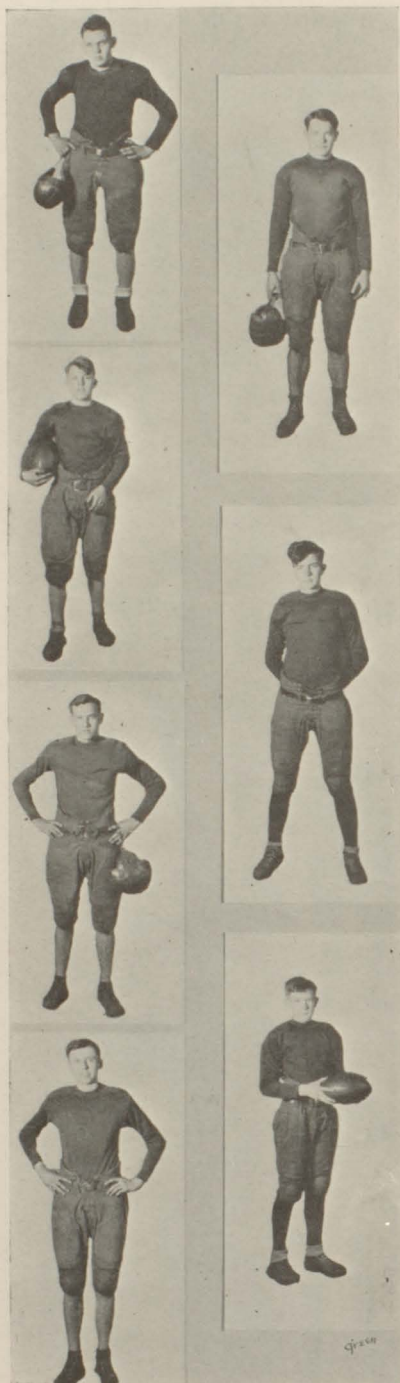

Another member of the all senior backfield is "IKE HAYES, the right halfback. "Ike's" greatest help to the team was his passing and also his excellent blocking which enabled other members of the backfield to make consistent gains. He and his other halfback were the only two members of the squad to get every minute of play. N. H. S. wishes "Ike" much success in his future life.

The other halfback position was under the supervision of ELMER YANAI, a very excellent offensive man. Elmer was a player who was always trying and giving his best for his home school. N. H. S. believes that if Elmer plays the game of life in the same manner that he played his football games, much will be heard from him in the future.

RALPH ROBINSON was chosen to play the left end position. Ralph gave his best in the service for N. H. S. He showed his best on the offense of the game. It was Ralph's first and last year on the gridiron for N. H. S. and I am sure that N. H. S. was proud to have a boy like he on their squad.

ROBERT CRATER, a young man who tried out for three positions and finally settled in the left tackle position which he filled in very creditable shape. He was a tower of strength on the defense as well as on the offense. N. H. S. expects to hear from Bob in later life not only in sporting games but a lot in art work. The old Gold and Black wishes him success.

EUGENE HARTMAN, a heavy set youngster was chosen to fill the left guard position, thus completing his second year of varsity competition at that position. "Gene" was a very sturdy worker and indeed a tough boy on the defense. N. H. S. is very sorry to lose this young man because he not only excels on the gridiron but also on the baseball diamond. The Alma Mater wishes "Gene" much success in his future years.

CARL LYONS, a young man who is completing his final year for N. H. S. was given the other tackle position. Although this was his first year on the squad he gave a good account of himself. He also saw some action in the back field subing for Callentine in the Dennison game. Carl deserves much credit for good work during his last year for N. H. S. Newcomers also wishes "Carl" much success in later life.

JOE MAXWELL, a small, young man but plenty tough when it comes to playing football. Joe was a substitute both at end and halfback, but he saw enough action to win a letter in his final year for N. H. S. The local school wishes Joe great success in the future.

HAROLD MARLATT, another senior who won a letter in his final year for N. H. S. was picked as a substitute end. Harold is a young man who was always out there giving the best he had for N. H. S. The local school will feel the loss of the last of the ten seniors on that gridiron next fall.

WILLIS (TOONER) FLETCHER started the season as a backfield man but later decided to move up to center position. Here he showed himself to his best advantage. Tooner ranked with some of the best centers in the county. He was especially powerful when playing roving center. As Willis has one more year for N. H. S. the local school looks for some more good work next fall on the gridiron.

GORDON BRODE, another Junior who was always willing and trying but with such high opposition for ends positions was unable to win himself a permanent position on the first team.

JOE KNEZEVICH, large boy from the Junior Class, was chosen to play the tackle position but with such tough opposition, failed to gain his letter. But Joe has another year for N. H. S. and Alma Mater expects great things from him in the season of '29.

"WOODY" HAYES started the season at the center position but when Willis Fletcher was moved up from the back field he had to surrender his position. He saw plenty of action just coming within a few quarters of winning a varsity letter. "Woody" should be a very valuable man to N. H. S. next fall.

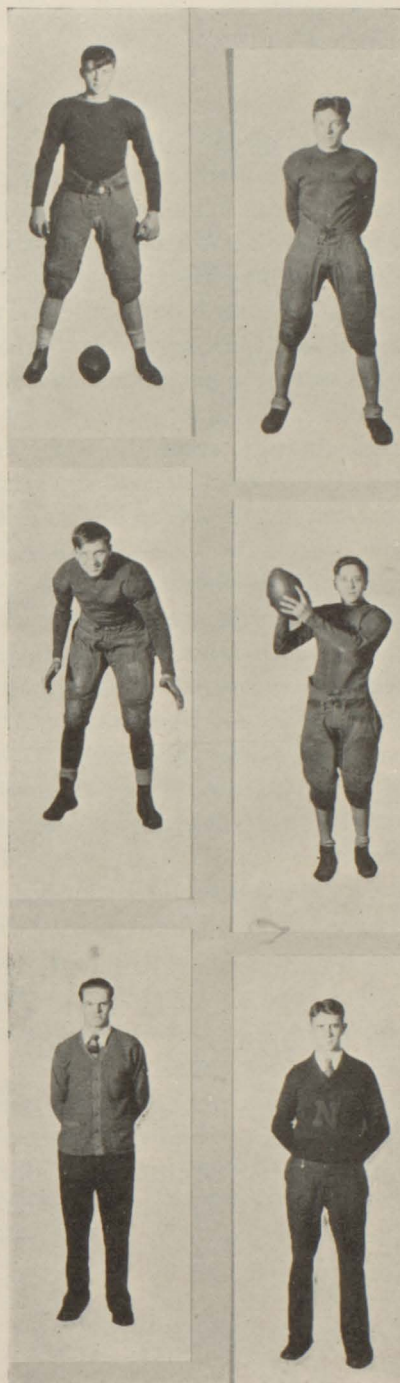

ED BOOTH who came out in his freshman year and made a very honorable name on the gridiron. Ed has the qualities of a fine athlete and much should be heard from him in the next three years. He was given charge of the right end position.

ROY DENNIS, another Freshman, also came out and won his varsity "N". He gave the best he had and with this year's experience he should hang up a good record his three succeeding years. Roy is a powerful cog on the defense.

HOMER DENNIS entering his high school athletics along with his brother Roy did not have the good fortune that his brother did. Although he did not win his Freshman year letter he will give a good account of himself next fall.

The management position was in charge of GLENN STEWART, a young man who has served this High School with much hard work on the gridiron. We were sorry that "Glen" was barred from playing football because the four year playing rule objected. Glenn always gave the best he had when playing.

ROBERT J. LEE (TIN) was appointed to the position of trainer. Tin has also served his Alma Mater four years on the gridiron. N. H. S. wishes "Robt" much success.

Football Season

The football season of '28 proved to be another successful season for the local school on the gridiron. Coach R. Bauer, our new coach, a graduate of Wittenberg, started the season with six letter men from the previous season. So Mr. Bauer set out to fill five unfilled positions; he sorted out some very nice material and proceeded to fill these positions with very capable men. The team's record is five wins out of nine games, including the Alumni game. The Trojans played some of the best teams in this district, including some very high class A teams.

The season opened on September 28, when the locals journeyed to Danville to defeat D. H. S. by a score of 7 to 6. Captain Barthalow scored the local's touchdown late in the third quarter by a pass from "Ike" Hayes. It was also Hayes' pass to Fletcher for extra point that won the game.

A week later, October 6, the locals journeyed to Uhrichsville to receive a very bad drubbing at the hands of that squad. It seemed that the locals were unable to stop Mauer, the opponent half back and thus, when the game was over, the locals were on the short end of 42 to 0 score.

But this defeat did not dampen the faith of the local boys, because they came back a week later to defeat the Caldwell gridders on the local gridiron by a score of 13 to 6. Barthalow scored both touchdowns, while Fletcher scored the extra point.

The following Friday, October 19, the squad journeyed to Flushing to take another defeat. N. H. S. points were scored by Hayes and Barthalow. Both came as result of a pass. The final score was 33 to 7.

On November 3 the Trojans journeyed to Dennison to plaster the high school team of that place by a score of 43 to 0. Newcomerstown was able to score at will. Barthalow scored four touchdowns and kicked an extra point for a total of twenty-five points. Elmer Yanai, our fleet right half, scored two touchdowns while the final touchdown was scored by Lyons.

One week later the home boys journeyed to Carrollton and won a very hard fought game by a score of 14 to 12. The first touch down was scored by Barthalow on a pass from Hayes. Callentine, our plunging full back, scored the second marker. But the winning margin came when Robinson and Booth tackled Miller behind his own goal line for two points and victory.

After a two day rest the locals journeyed to Coshocton to play an Armistice day game. During the first half our boys put up one of the scrappiest games ever played against the Coshocton school. The boys played their opponent to a standstill in the first half, neither team scoring. But in the second half, with the loss of our right guard, the Trojans started to weaken from the strain of the two games. The opposing team chased over five touch downs and two extra points while holding the Trojans scoreless.

After two weeks' rest the locals came back to meet the New Phila team on the home lot and gave them a very severe dubbing by a score of 50 to 0. Barthalow scored three touch downs while Yanai, his running mate, also scored a similar number. The other touch downs were scored by Callentine and Maxwell, substitute for Barthalow. The two extra points were scored by Kelly and "Bennie". Ten Seniors were playing their last foot ball game for N. H. S. against high school opposition and they surely played a great game for the old Gold and Black.

The annual Thanksgiving football game between the Alumni and high school team resulted in another victory for the graduates. The high school Trojans played the former high schoolers to a standstill the entire game. At the opening of the third quarter Peters carried the ball over for the first score, but Callentine matched this score late in the same quarter. But later in the last quarter Max Julien intercepted one of the Trojans passes and dashed 70 yards for the winning margin of 12 to 6.

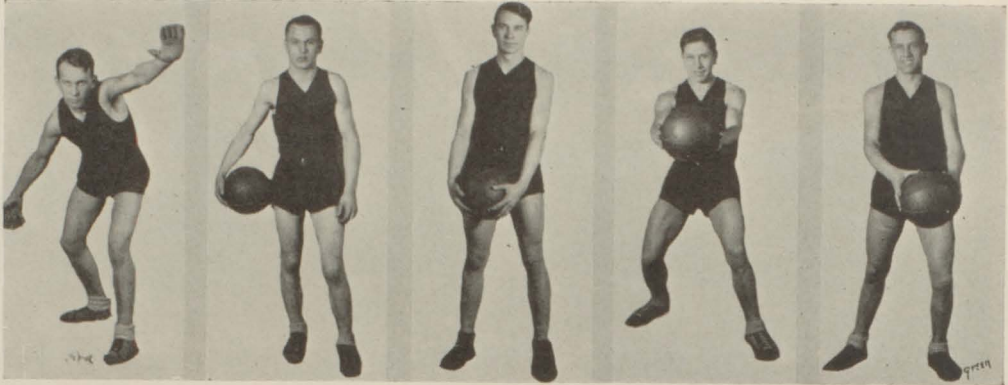

There will be four letter men back next year. There will be four other men that lacked just a few quarters of getting a letter, back for varsity competition next year. Consequently the team should be another success in '29.

BASKETBALL SEASON

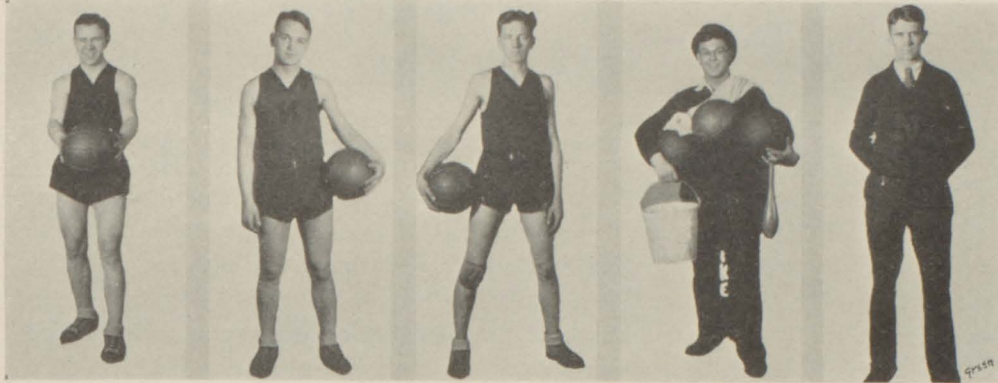

CAPTAIN CALLENTINE led his team to a rather successful season for N. H. S. Johnnie played a stellar defensive game besides showing some very keen offensive tactics. He will be hard to replace next year. So N. H. S. wishes him much success.

BARTHALOW, our very gallant guard, always had a prominent part in each game. Ben, although he played guard, managed to be the high point man for the year. This is also Ben's last year for N. H. S.

ELMER YANAI, who was playing his last year for N. H. S. was placed at the right forward position. Elmer was always trying and giving the best he had for N. H. S.

"BOB" CRATER, who was playing his first and last year on the hardwood court for N. H. S. was primed to fill the center position. "Bob" handled himself nicely for this first year out for basket ball. He gave the best he had for N. H. S. and that is all we can ask of any one.

WILLIS FLETCHER, a Junior, was placed at the left forward position. With this year's experience "Tooner" should be a very valuable man on next years cage five. He has been elected captain for the following year of '29 and '30.

GAIL BRETZIUS, although he was an understudy to Fletcher and Yanai, saw enough action to warrant him a very valuable man for next year's team.

KENNETH BENNETT, besides winning his varsity "N" in football, played some very snappy basket ball at the two guard positions. He was used as an understudy to Kelly and "Bennie."

ED BOOTH won his varsity "N" in basket ball as well as football, in his first year for N. H. S. Ed stepped out and won himself the varsity center position. As he has three more years for N. H. S., a lot should be heard from him in this time.

IKE HAYES was appointed manager of basketball. Ike is a boy who is always chattering and keeping the boys in good spirit.

"SKEET" LEE, the trainer of basket ball as well as foot ball, did his little shares in fine shape.

Basket Ball Season

The Newcomerstown High School enjoyed a fairly successful season on the basket ball floor, winning five games out of sixteen games played. The team, under the direction of Coach Bauer, used the pivot play of ball this year. All though the win and loss did not show N. H. S. with exceptionally good record, the boys played some of the best basket ball seen from a local team in years. Their best games were against Uhrichsville, Belle Valley, Frazeyburg, and New Concord. The squad will lose four letter men thru graduation and will also have four letter men back next season, so N. H. S. should have a very successful season in '29 and '30.

Baseball

The local baseball season of 1928 saw N. H. S. turn out the best team in the county and also the best team that it ever had in its career. Altho they lost their first game, from then on it was a joyous ride into the District Championship.

But they were like the rich man with his gold, always craving more. They entered the state tournament and, after copping the first game, they were dropped by Centerville, a team that was in no way superior to our local clubbers. The home town athletes had one of those days like all good clubs have, a day when everyone and everything goes up in the air. And thus went the chance of N. H. S. to cop that famous old flag of "State Champions".

The team journeyed to Dover to play their first game and due to the lack of practice on fielding and batting, took an 8 to 3 jolt on the chin to open their successful season.

The following Friday the boys journeyed to New Phila with Peters and Kirby showing the pitching and the Trojans slapping the ball to all corners of the lot and the locals buried the county seaters under a score of 29 to 6.

A week later the Trojans eked out their second win, over their bitter rivals from Gnadenhutten. It was thru Kirby's masterful pitching in the final frame that the locals were able to win by a score of 5 to 4.

The Trojans third victory was at the expense of New Phila. It was an other repetition of the first engagement with them. This time the score was 21 to 5.

The Trojan's third home game in a row brought them their fourth victory. This time over Dover, their previous conquerors. The home boys drubbed them to a tune of 11 to 4.

Then the local boys journeyed to Dennison to run wild on the bases. They gave the opponents a very neat lesson on baseball by giving them a 22 to 4 drubbing.

Then Coach Phillips took his squad to the tournament. Our first opponent was Senecaville, a team that we defeated with ease by a score of 14 to 4.

The same evening we met Rich Hill in the second round of play and, after some very clever pitching by Peters, we were able to edge them out by a score of 3 to 2.

Next morning the local boys defeated another home county team. Midvale forced N. H. S. to their limit but N. H. S. was not to be outdone and, as a result, defeated them 9 to 8. By this victory the "Trojans won the District Championship.

The opening game at the State Tournament was against Kunkle. Jack Kirby, our left hand hurling ace, worked himself into the hall of fame by pitching a "no hit and no run game." The Trojans hung up two runs in the opening frame and thus won the game by the same margin.

Then the home boys ran into the aforementioned defeat at the hands of Centerville by a score of 8 to 6. This defeat left the home team with a percentage of .778 $\frac{2}{3}$. With all letter men back from last season, N. H. S. is looking for bigger and better things in baseball the coming season.

BASEBALL PLAYERS

Captain Peters led his team to one of the most successful seasons that Newcomers High School ever had. He pitched his team to three wins, while only losing one. Our captain allowed an average of $3\frac{1}{4}$ runs per game. The team of '29 will strongly feel the loss of one of their reliable slabmen and a very creditable leader.

Our other slabman was Jack Kirby, one of the best south paws that has been seen about this section of the state. Little needs to be said of him because he did his own saying by his masterful work on the mound. Although his run average per game was higher than that of Peters, his win and loss column was much better with six wins and not a defeat to his credit. The local school looks for great things out of that left arm in the season of '29.

"Ben" Barthalow took care of the catching and did a very sweet job of it. His greatest asset was that of having a great aim. The opponents took very little chance in trying to steal. Another great asset was his great hitting ability. He was chosen all state catcher at Columbus. The home town folks look for great things from "Ben" in the coming season.

First base job was taken care of by "Skeet" Lee. He proved to be a very valuable man at that position. With his height he would go up in the air and snag those wild throws and thus save his teammates errors.

The keystone position was in charge of Bretzius. Although he did not get going until the tournaments, he surely did cut loose and prove his worth then. Gail has two more years in N. H. S. and should prove a valuable man to the old Black and Gold.

Short stop was placed in the hands of "Cliff" Hosfelt, the boy that always has a smile. He covered his territory in fine shape. He also was very good in laying that old ball down, especially when a comrade is on first base. The locals are sorry to lose "Cliff", not through graduation but by his dropping out of school.

The "hot corner" was under the supervision of Chester Leonard, a very timely hitter. He covered his position in good style. He surely will be missed in '29.

Right field was covered by John Callentine and Elmer Yanai. The former covered it in the regular session but when the Trojan's were at the tournaments the latter did the heavy work. Both boys will be back in '29 and both willing to work for N. H. S.

Carol Lyons patrolled the center field pasture and did it very creditably. He did some very nice clubbing of that old apple. He has one more season.

Left field was taken by Eugene Hartman, a very nice batter, always getting his share of the hits. He was always alert when out in the outer garden. He also has one more season.

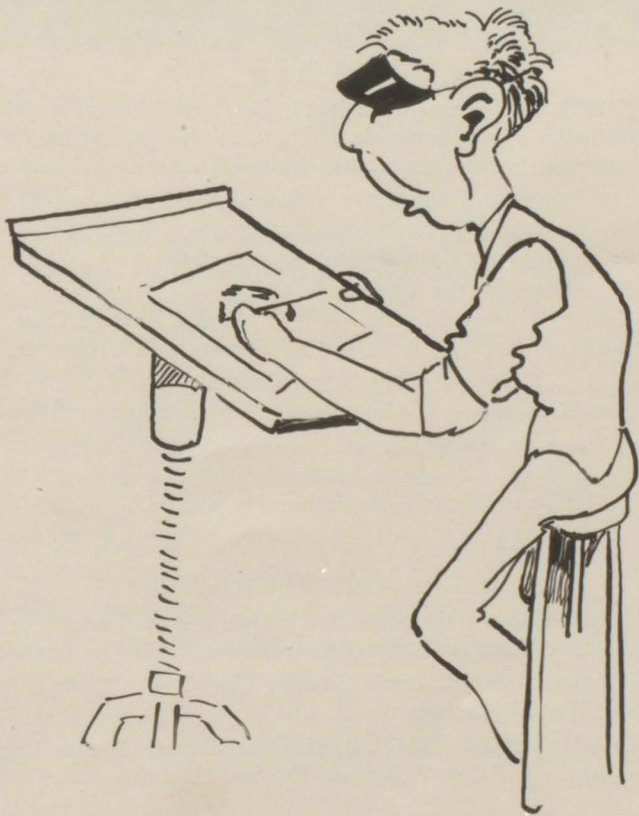

Robinson, Loader, and Bussard, the local substitutes, saw little action but when they did they showed plenty of class. With eleven letter men back in uniform for 1929 the locals should have another bright and successful season.

BACHELOR CLUB

Early in January, 1929, the boys of the Senior Class met to form a club to protect themselves against the wiles of the feminine sex, and to this date it has proven to be an iron-clad place of refuge, because no woman has stolen a member and enticed him to the altar.

Last but not least—we have chosen for our motto:

"Single, we stand—married, we fall."

Following are the officers of the Bachelor's Club:

Robert Crater	-	-	-	-	Grand Exalted Czar
Floyd Stocker	-	-	-	-	Secretary and Treasurer

Members of the Royal Council:

Ben Barthalow	Joe Maxwell	Robert Byrd	Willis Roe	Harold Marlatt

Second Row—Arthur Tufford, Lorin Brown, Carl Lyons, John Little, Robert Crater, Glenn Stewart, Harold Marlatt.

Third Row—Carl McFarland, Robert Byrd, Isaac Hayes, Chester Lehman, Fred-eric Loader, Marion Johnson, Ralph Robinson, Eugene Hartman.

JINX CLUB

Six years ago on a bright Sunday afternoon we met and organized a club. At first our only aim was to have a good time but when we entered N. H. S. we decided to be boosters. We participated in many ticket sales and we presented the Athletic Association with the proceeds of a sandwich sale, eliminating some of the large debt. We have contributed members to the Glee Club, Basket Ball team, and three to the matrimonial circle.

Our officers are:

President	- - - -	Lillian Thompson
Vice President	-	Margaret Jones Gardner
Secretary and Treasurer	-	Helen Lehman
Editor	- - - -	Izola Hannahs
Chaperone	- - - -	Katherine Boyle

The members are as follows:

First Row—Izola Hannahs, Helen Lehman.

Second row—Virginia Heller, Mrs. Katherine Boyles—Chaperone, Lillian Thompson.

Third Row—Matilda Murphy, Jean Barnett, Marjorie Wise.

Absent—Margaret Jones Gardner, Pearl Lanning Manzer.

—Izola Hannahs.

ALPHA BETA CHI

On the evening of Jan. 30, 1929, a group of Senior girls met in the Senior room and formed the Alpha Beta Chi Club. Miss Margaret Beers was chosen advisor and the following officers were elected.

Mildred Earley	- - - -	President
Viola Barthalow	- - -	Vice President
Hazel Bower	- -	Secretary and Treasurer

The other members are as follows:

First row—Viola Barthalow, Marjorie Wise, Helen Lehman, Constance Cooper, Virginia Heller, Hazel Bower, Matilda Murphy.

Second row—Margaret Fletcher, Thelma Neighbor, Mildred Earley, Margaret Beers—Chaperone, Izola Hannahs, Mary K. Meyer, Virginia Conrad.

It was decided that the meetings would be held the second and last Wednesdays of each month, the time being 8:15 P. M. The place, at homes of the members. This Club wants to do all it can to help N. H. S. the remaining months of school and here's hoping it succeeds.

—Thelma Neighbor

THE HOBO SOCIETY

Gail Bretzius	- - - -	Chief Gazabo
Kenneth Bennett	- - -	Vice Gazabo
Joe Knezeyich	- - -	Count de Cash

Members as they appear in picture:

First row—Joe Knezevich, Charles Phillips.

Second Row—Robert Hinds, Woodrow Portz, Gail Bretzius, Kenneth Bennett.

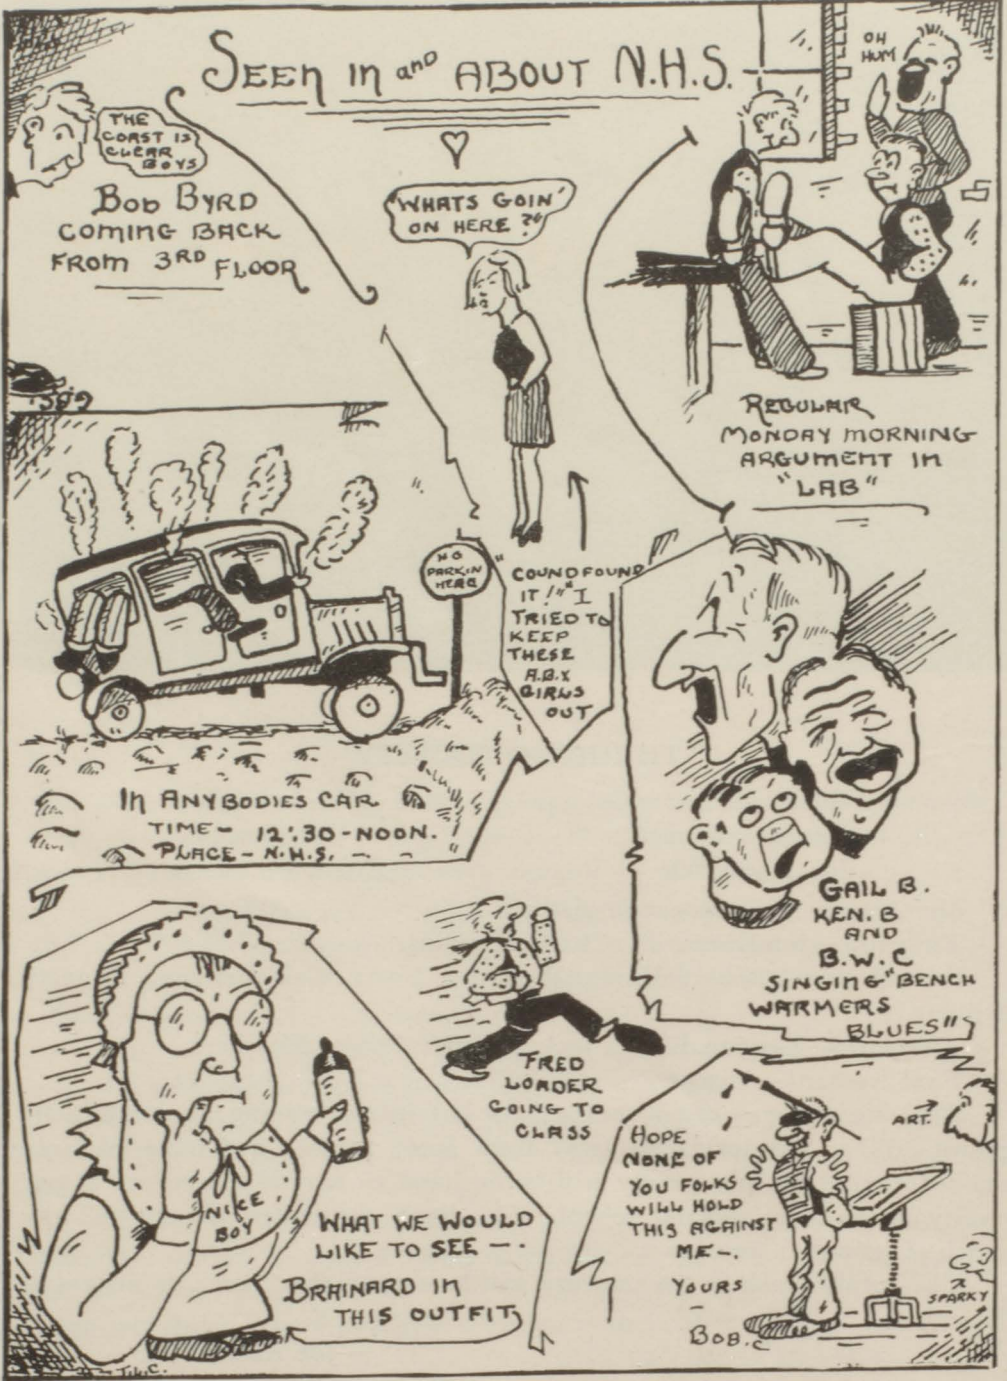

Third row—Gordon Brode, Jack Menefee, Willis Fletcher.

Paul Bussard—Absent.

This society was organized to help out in the rooting at our athletic games. When the teams go away from home to play and have no large amount of rooters, this society will be on hand to remind the enemy of our loyalty to the team and our school. The above gentlemen can out-yell any bunch of fellows in any town.

The surplus cash in the treasury will be sent to the "Freezing Sisters of Africa".

—Joe Knezevich.

It Matters Not

It matters not, our worth in gold,
Nor the fame our fathers gain
For in our hands our lives we hold
True manhood to attain.

It matters not, how humble your birth
Nor the hut that to you is home
For that love can fill your soul with mirth
And guide you where ever you roam.

It matters not the course of friends
Whether it be high or low,
You live your life until it ends
You choose your way to go.

It matters not how high your fame
Has soared the heavens above
If only your life is free from shame
And you've lived and served with love.

It matters not how heavy the load
How steep and rugged the way
If only to others you've shown the road
And they're better; you've lived your day.

—E. Eugene Thompson.

Everybody Works but the Seniors

Everybody works but the Seniors,
 And they sit around all day
 Making fun of the Freshmen,
 Of all they do and say.
 Seniors never study
 They are far too bright.
 Everybody works in our school
 But the fourth year parasites.

Everybody works but the Seniors,
 They loaf around all day,
 Thinking about commencement
 Not very far away.
 Cut half their recitations
 Teachers say, "Alas—"
 Everybody works in our N. H. S.
 But the shiftless Senior Class.

“Grateful”

We came to dear old Junior High
When at the old school we did jest
But our hopes are soaring in the sky
While we prepare for N. H. S.

We want to thank the High School
For all they have done for us
'Cause we are going to do our best
And do the High School just.

They let us have an athletic team
And let us use the gym
They even root and call for steam
When we are losing vim.

When we reach the good old N. H. S.
We are going to go through with a will
We know its hard, but we'll do our best
When we start up that wonderful hill.

That road is one that leads to success
It is one that is long and rough.
But we can yell for N. H. S.,
Work hard and show our stuff.

HISTORY OF JUNIOR HIGH

September, 1928, marked the beginning of the Newcomerstown Junior High School. At that time we numbered one hundred fifty-two. We occupy four rooms on the third floor of the High School Building, using the south door for our entrance.

We are working and are trying to do our duty that we may soon have the privileges of those about us.

We are athletic boosters. We produced a very good football team although the Freshmen won over us in a game on Thanksgiving Day. We have a varsity basketball team that shows the spirit of good workmanship and is scheduled to play several games with neighboring towns.

We like to boast of our orchestra. They are making a splendid effort.

We like music and we like to sing and sometimes we make the echoes ring, especially when the Girl's Chorus or when the Boys' Chorus sings. We were very happy when the School Board presented us with a new piano and we are doing our best not only to show our appreciation but for the good it does us.

We were permitted to give "The Soul of Priscilla" in Chapel Thanksgiving. Our Girl's Chorus also sang a number.

Junior High will present an Operetta "Toy Toy San" this year as a part of our dramatics.

We have learned that if we want to be happy Junior High students we must be polite, honest, studious, punctual, and obedient and we are striving to show our real worth in every way possible to make our Junior High a success. We think it is well to keep in mind—

Heights by great men (and women) reached and kept
Were not attained by sudden flight
But they, while their companions slept
Were toiling upward in the night.

OUR VOYAGE

A ship was sent on its voyage
On a warm September day.
It little thought of the hardships
To be encountered along its way.
The passengers were all a-buzz,
Talking of summer's play;
But then they had to get to work
To help the ship on its way.
This was the ship's maiden voyage
But we think on many others she'll go
Though we will have to wait
And see if the first one is a go.
So we'll help the ship on its journey
Till on a sunny June day,
It reaches its destination—
The Wonderful land of Play.
The voyagers must all be brave,
And not shudder at stormy sky.
But wait—you don't know the ship's name—
Its name is—JUNIOR HIGH.

Junior High Foot-Ball Team

"TIN LEE BOYS"

For the first time in Newcomerstown, the Junior High School placed a foot-ball team on the field. This team developed much promising material, and played a most interesting game against the H. S. Freshmen.

Maxwell and Eagon starred at the end positions, while Touvell and Lehman held down the tackle positions and allowed very small gains through them. Forest and Clough were our guards and were very good, and Dick and Davidson alternated at center.

Jr. Swigert was our Captain who led the team of 1928. He was the one whose training signals and ball toting held the Freshmen to one touch down.

A. Swigert and Patterson were the left halves who gained yards for the Junior High School. Johns and Richardson, the other halves, were the hard hitters.

Parks and Scott were the full backs, who worked hard to win the game.

The second stringers were Dennis and Stewart, who were able to fill their positions at any time.

The first game that the Junior High boys ever played was scheduled for "Turkey Day". They were defeated by the Freshmen 6 to 0. In the first few plays the Freshmen had things pretty much their own way, but after the Junior High got cooled down, the Freshmen were doing their best to hold them. There were three Freshmen hurt when hit by the fast charging Junior High line, which was light, but seemingly could not be hurt.

The following boys leave Junior High this year to join the foot-ball squad of N. H. S. to help make the best team that the high school has ever produced: Forest, Clough, Lehman, Davidson, Dennis, A. Swigert, Johns, Richardson, Parks, and Eagon. I am sure they will do their best and will play the same kind of game and show the same power they displayed so well this season.

Junior High Basketball

1. Seated—Eagon.
2. First Row—Jordan, Parks, Johns (Captain), Clough, Richardson.
3. Second Row—Lee (Coach), Hannahs, Swigert, Touvell, Clough, Swigert, Jr., Lehman, Sheller, Barthalow (Manager).

The basketball season, Junior High's first one, of 1928-29 was a success. This year marked the first year in this sport for practically all the boys. The first call for practice brought out many players. A number of scheduled games were played at home and abroad.

Kenneth Johns, the Captain, did his best and usually led his team to victory. The line-up of the Varsity is:

Jordan—Forward
Clough—Forward
Sheeler—Forward
Parks—Center

Johns—Guard (Captain)
Swigert (Alfred)—Guard
Touvell—Guard

HEARD IN JUNIOR HIGH

A period is used to tell when a sentence is through.

The Abolitionists wanted to "freeze" the slaves.

Robert Parks (reading Current Events): Current Events says, "There were enough 'hot dogs' eaten last year to extend around the world sixteen times."

Lynas—"No wonder we see many dogs with their tails cut off".

Teacher: "What causes the heavy rainfall in Amazon Valley?"

Junior: "Clouds coming from southeast bump against the mountains and this causes them to drop their moisture.

Teacher: "The people of Australia have equal suffrage. What does this mean?"

Lloyd C.: "It means that they have equal hardships. The men suffer the same as the women."

Miss Ulrich—"What is the largest side of a triangle called?"

Gwendolyn—"The hippopotamus."

Teacher—"Compare dead."

Kenneth S.—"Dead-deader-deadest".

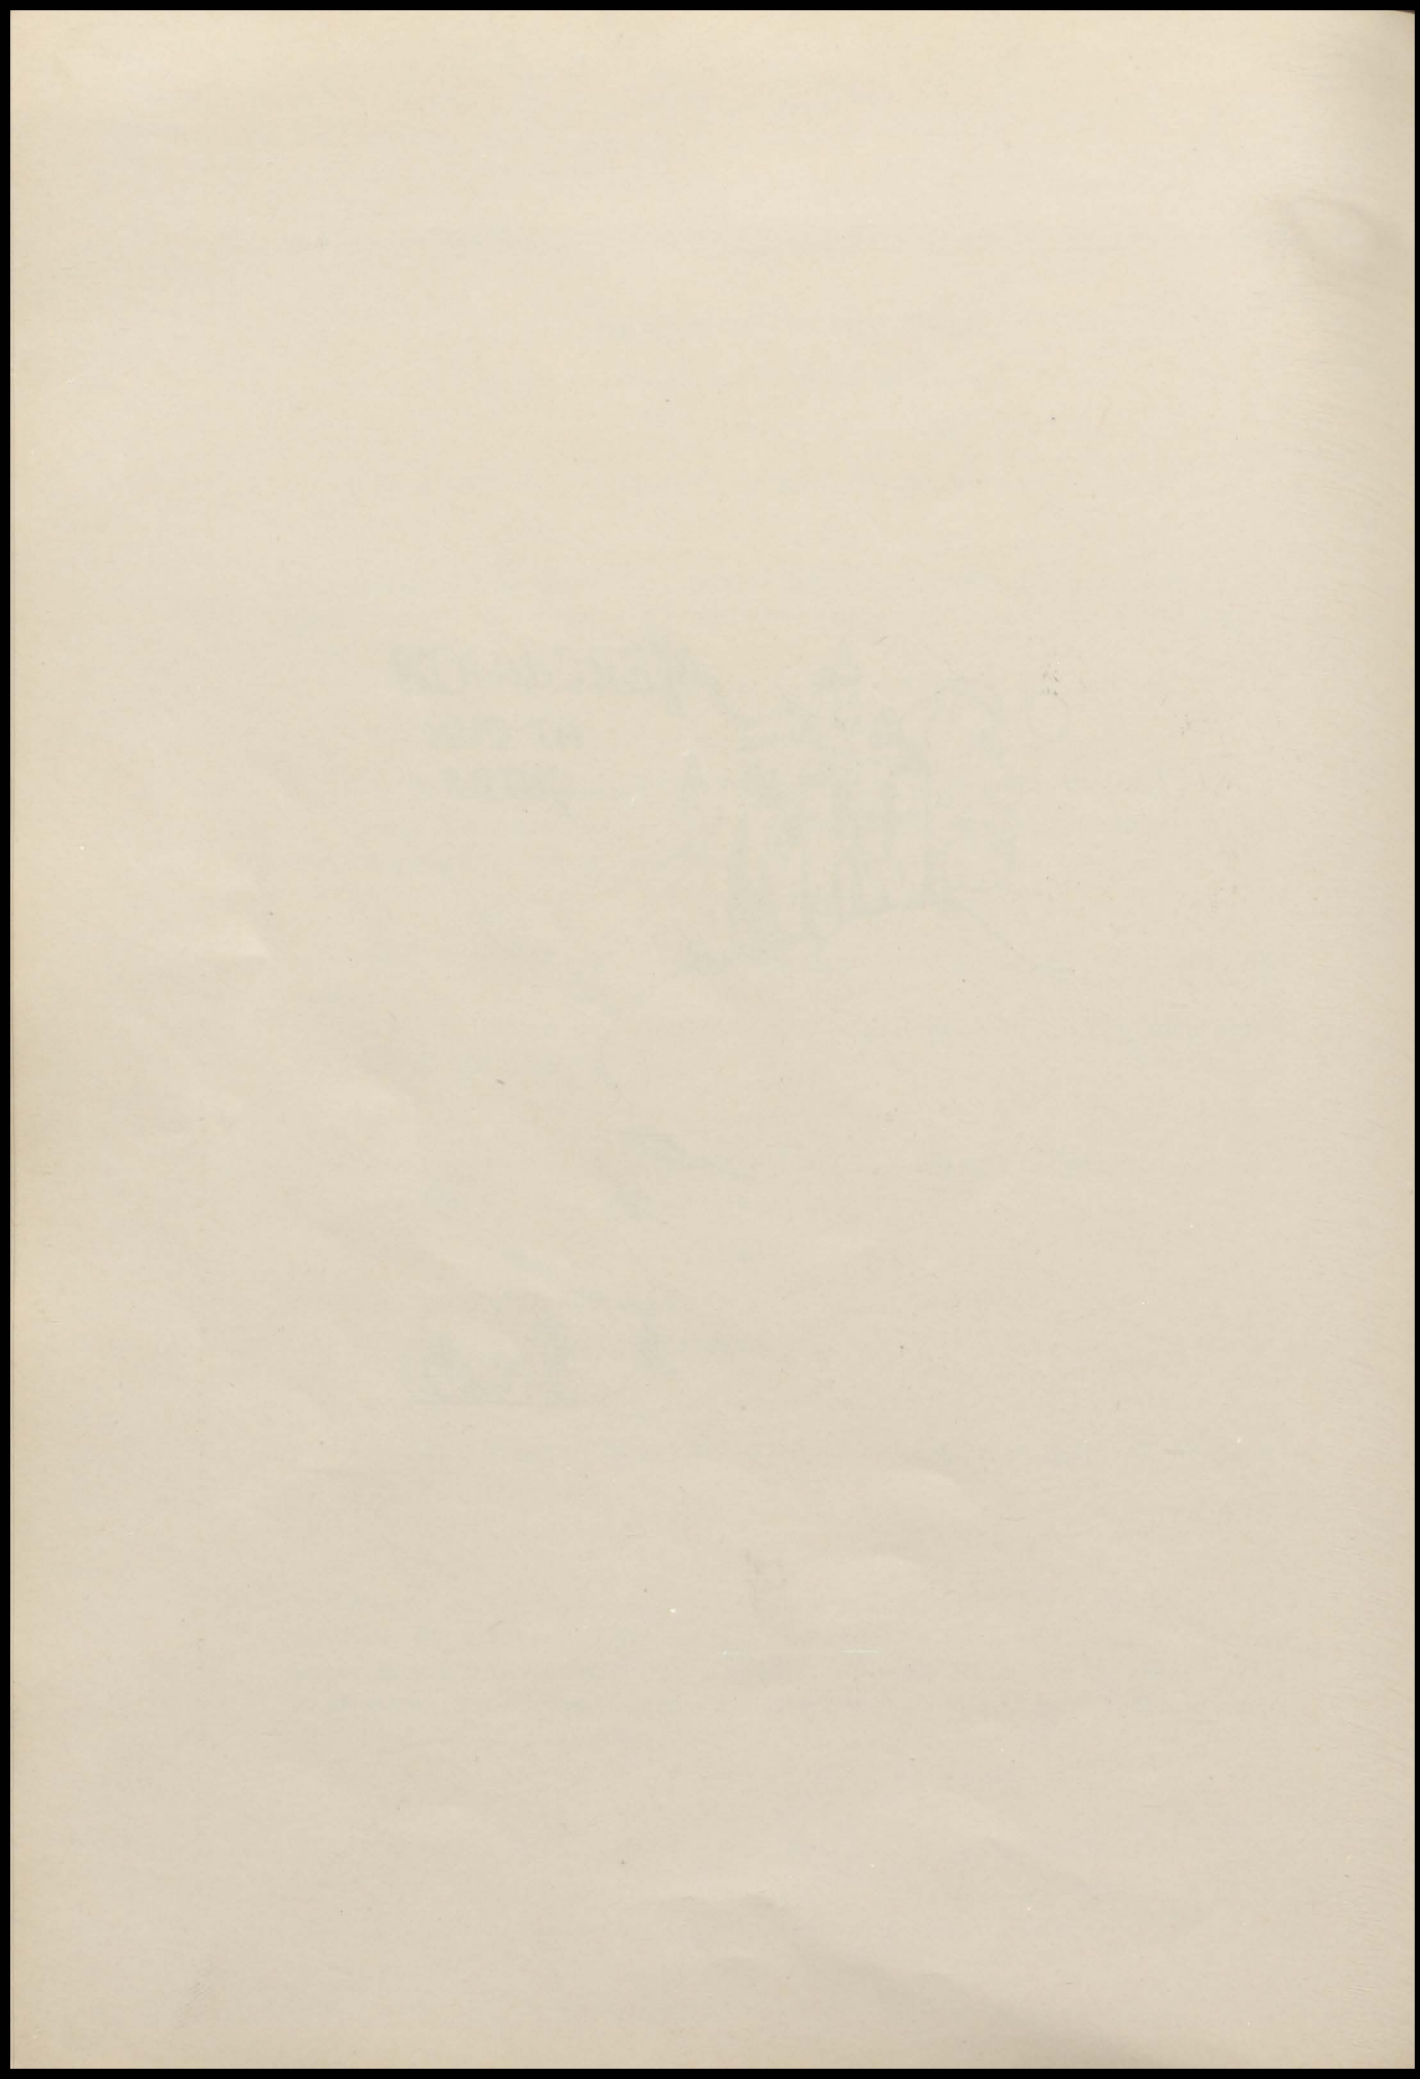

Teacher: "What word is used to describe the wandering life of the Arab?"

John B.—Romantic

Found on Michael Fodice's Desk the following: "Teacher-amble."

We, the teachers of Junior High, in order to form better schools, insure larger hours, provide for hickory paddles, promote fewer pupils, secure peace at all times; resolve and declare not to spare the rod and spoil future citizens of United States of America.
