downstairs is cleaned.

Bill cleaned the bath room paper & is

I suppose you have looked for a letter until you gave up.

I have been awful slow in writing the last few weeks. I guess I had better get to it. We are always glad to hear from you so write whenever you can.

This is fine weather for house cleaning & no doubt you are cleaning your house now. Ours needs it bad enough & I will surely have to start soon or it will be so dirty we cant see out.

But in the first place I dont feel liked doing it, my nerves are on the bum a good bit of the time & when I get the other work done, I dont care much whether I clean or not.

And then when we dont know if we are going to move or not, I dont want to clean here & then clean another house so I suppose it will be awful hot by the time I know what to do.

I have been planting some flowers & hope they grow if we don't stay, some one else will have them.

I want to plant grass seed tonight the grass is so bare in spots.

Miriam & Billie are asleep now & Elaine is at school.

They all have a fine time playing outside which is all the time, until night comes.

Last week one night Bill & I & Billie were out to Mr Daniels house.

We had a nice time, they have a lovely apartment & everything nice.

Bill was in Terre Haute yesterday & got in about eight o'clock.

Tuesday Eve, The Boss & another man & Bill went to a Prize Fight. He thot it was fine. He has been working every Sunday since we came home.

They took inventory last Sunday & Monday. He had the headache bad yesterday & was getting a cold in his head & got some medicine off the Relief Doctor at Terre Haute so this morning he felt real good. so I guess he got his cold checked.

The children & I all went to  
S. School Sunday.

Claine has been staying in with  
Billie the last 2 Sundays. But I  
think I will leave him alone this  
Sunday.

He is getting to like it fine now.  
We enjoyed Uncle Ed's letter very much.

He surely is a busy man.

Well how is your health & Mr Tilton's  
these lovely days? I hope you are  
both well & getting in a nice garden.

I bet Mr Tilton is making one.

Are your straw berries ripe now?

Also how is Edwina & his family.

I hope they all have good health.

The children will have to have summer  
clothes if this weather keeps up.

They all took off their heavies but the  
children are wearing little shirts under  
their summer underwear.

Well I guess this will be all for this  
time. Good By.

Love to all

Mary.
