The, teaching, and practice, and LIVING## of these great virtues cannot but have an uplifting, ennobling, and benneficial, affect upon all with whom we come in contact.-----

These things elevate, beautify, and make communities in which they are practiced, brighter, better, and more desirable. Places in which we could rather live ourselves and rear our children Right here ,let me disabuse the mind of any who may think, the ORDER can take the place of the place of the CHURCH,of JESUS the CHRIST.-----

The "ORDER" comes to us as an outgrowth of the CHURCH.----- The ORDER claims to be founded upon the teachings of this Divine institution and its founder Jesus the Christ .-----

Hence it is here that we should more fully and completely learn, the virtues and the principles that we claim govern us.-----

He who unites with the Order, only for mercenary reasons and motives, for its sick benefits,its nurse fees, its funeral appropriations, is not

permancy, and the endurance of the whole super-structure depends. without which, all the others are VAIN.-----

Every thing that ,elevates, purifies, and ennobles manhood, is commendable.-----

There are three, grand basic pillars, upon which the superstructure of the "I-O-O-F" is builded.

Do not deceive yourself by thinking you can make the Order to take the place of the Church. Men make the Order, God ordained the Church into which He calls men, to become "Co workers together with Himself and Jesus the Christ in the redemption and salvation of Humanity for the life that now is and that which is to COME."

The Order, is to minister unto the material life and nature of men.-----

The Church of Jesus-Christ, is to lead us up and into the realm of Spiritual supplies, where we come to know GOD; and Jesus the Christ says.
